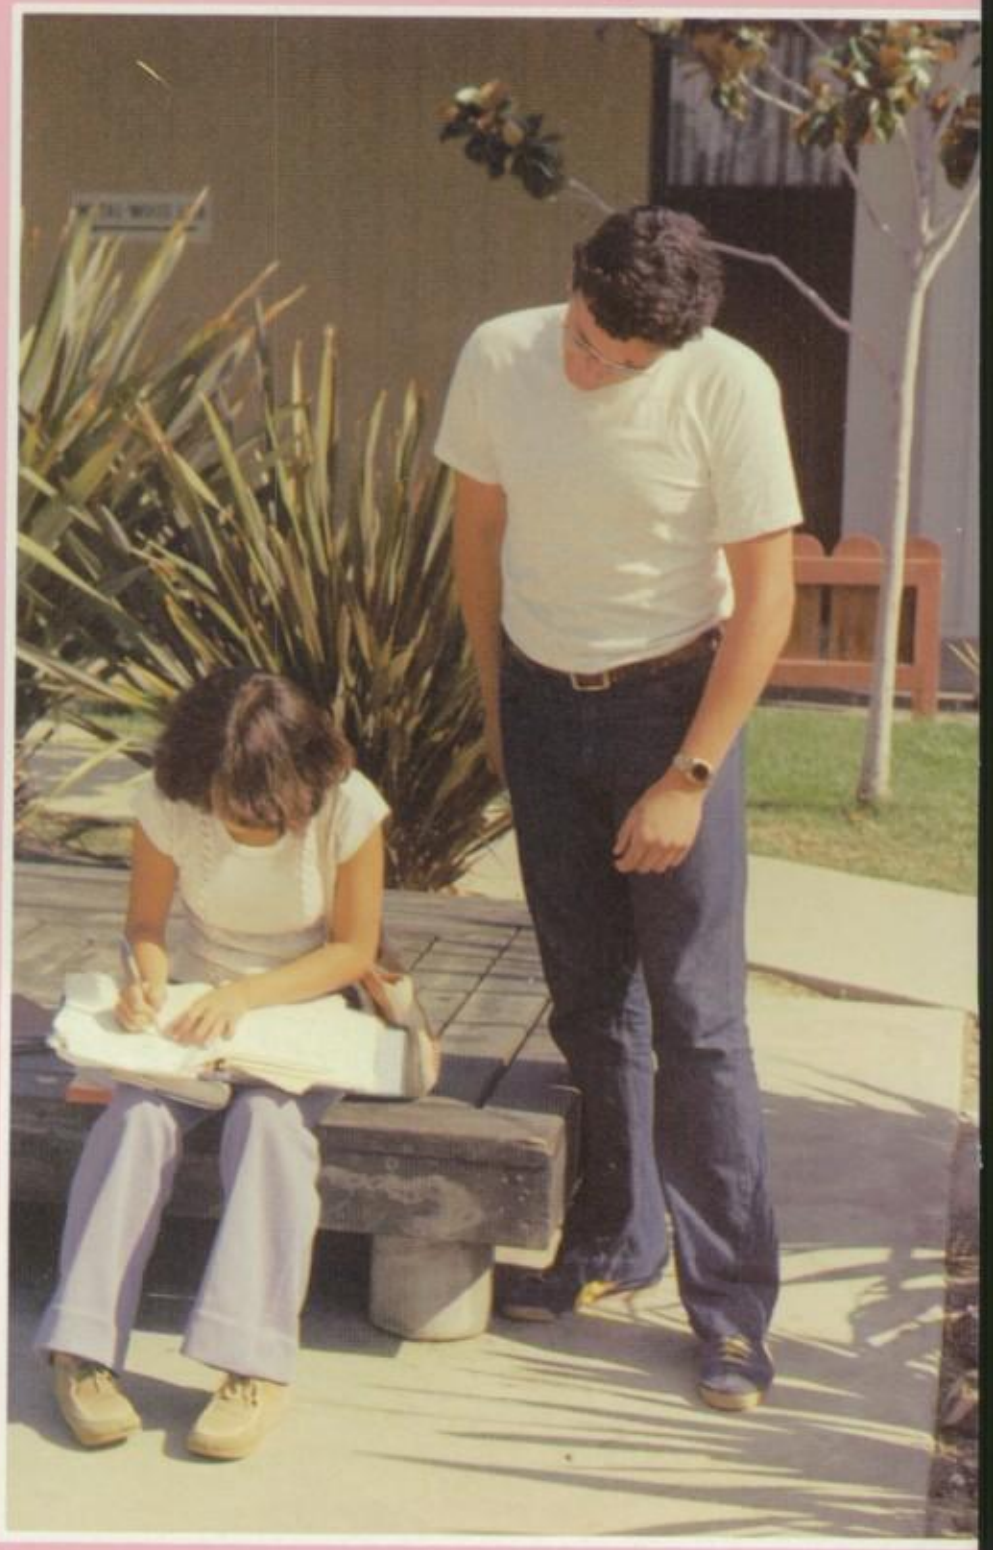
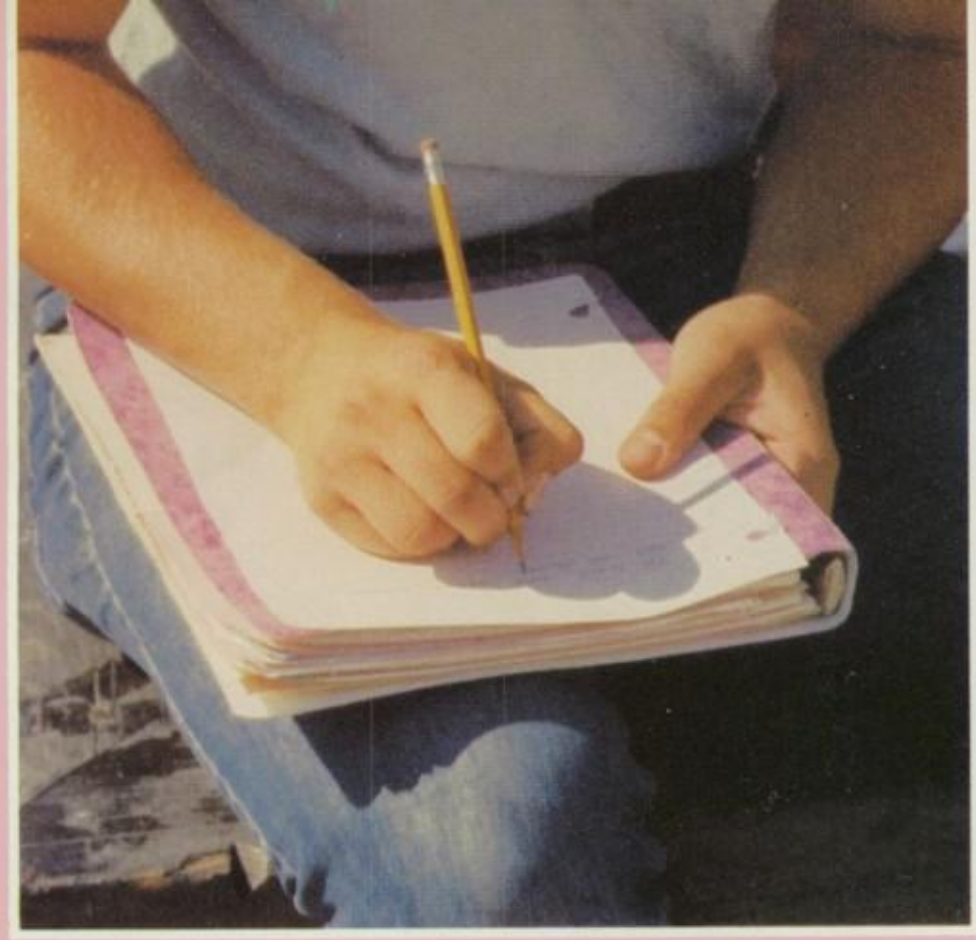
misty water-colored memories of the way we were.

scattered pictures of the smiles
we left behind,

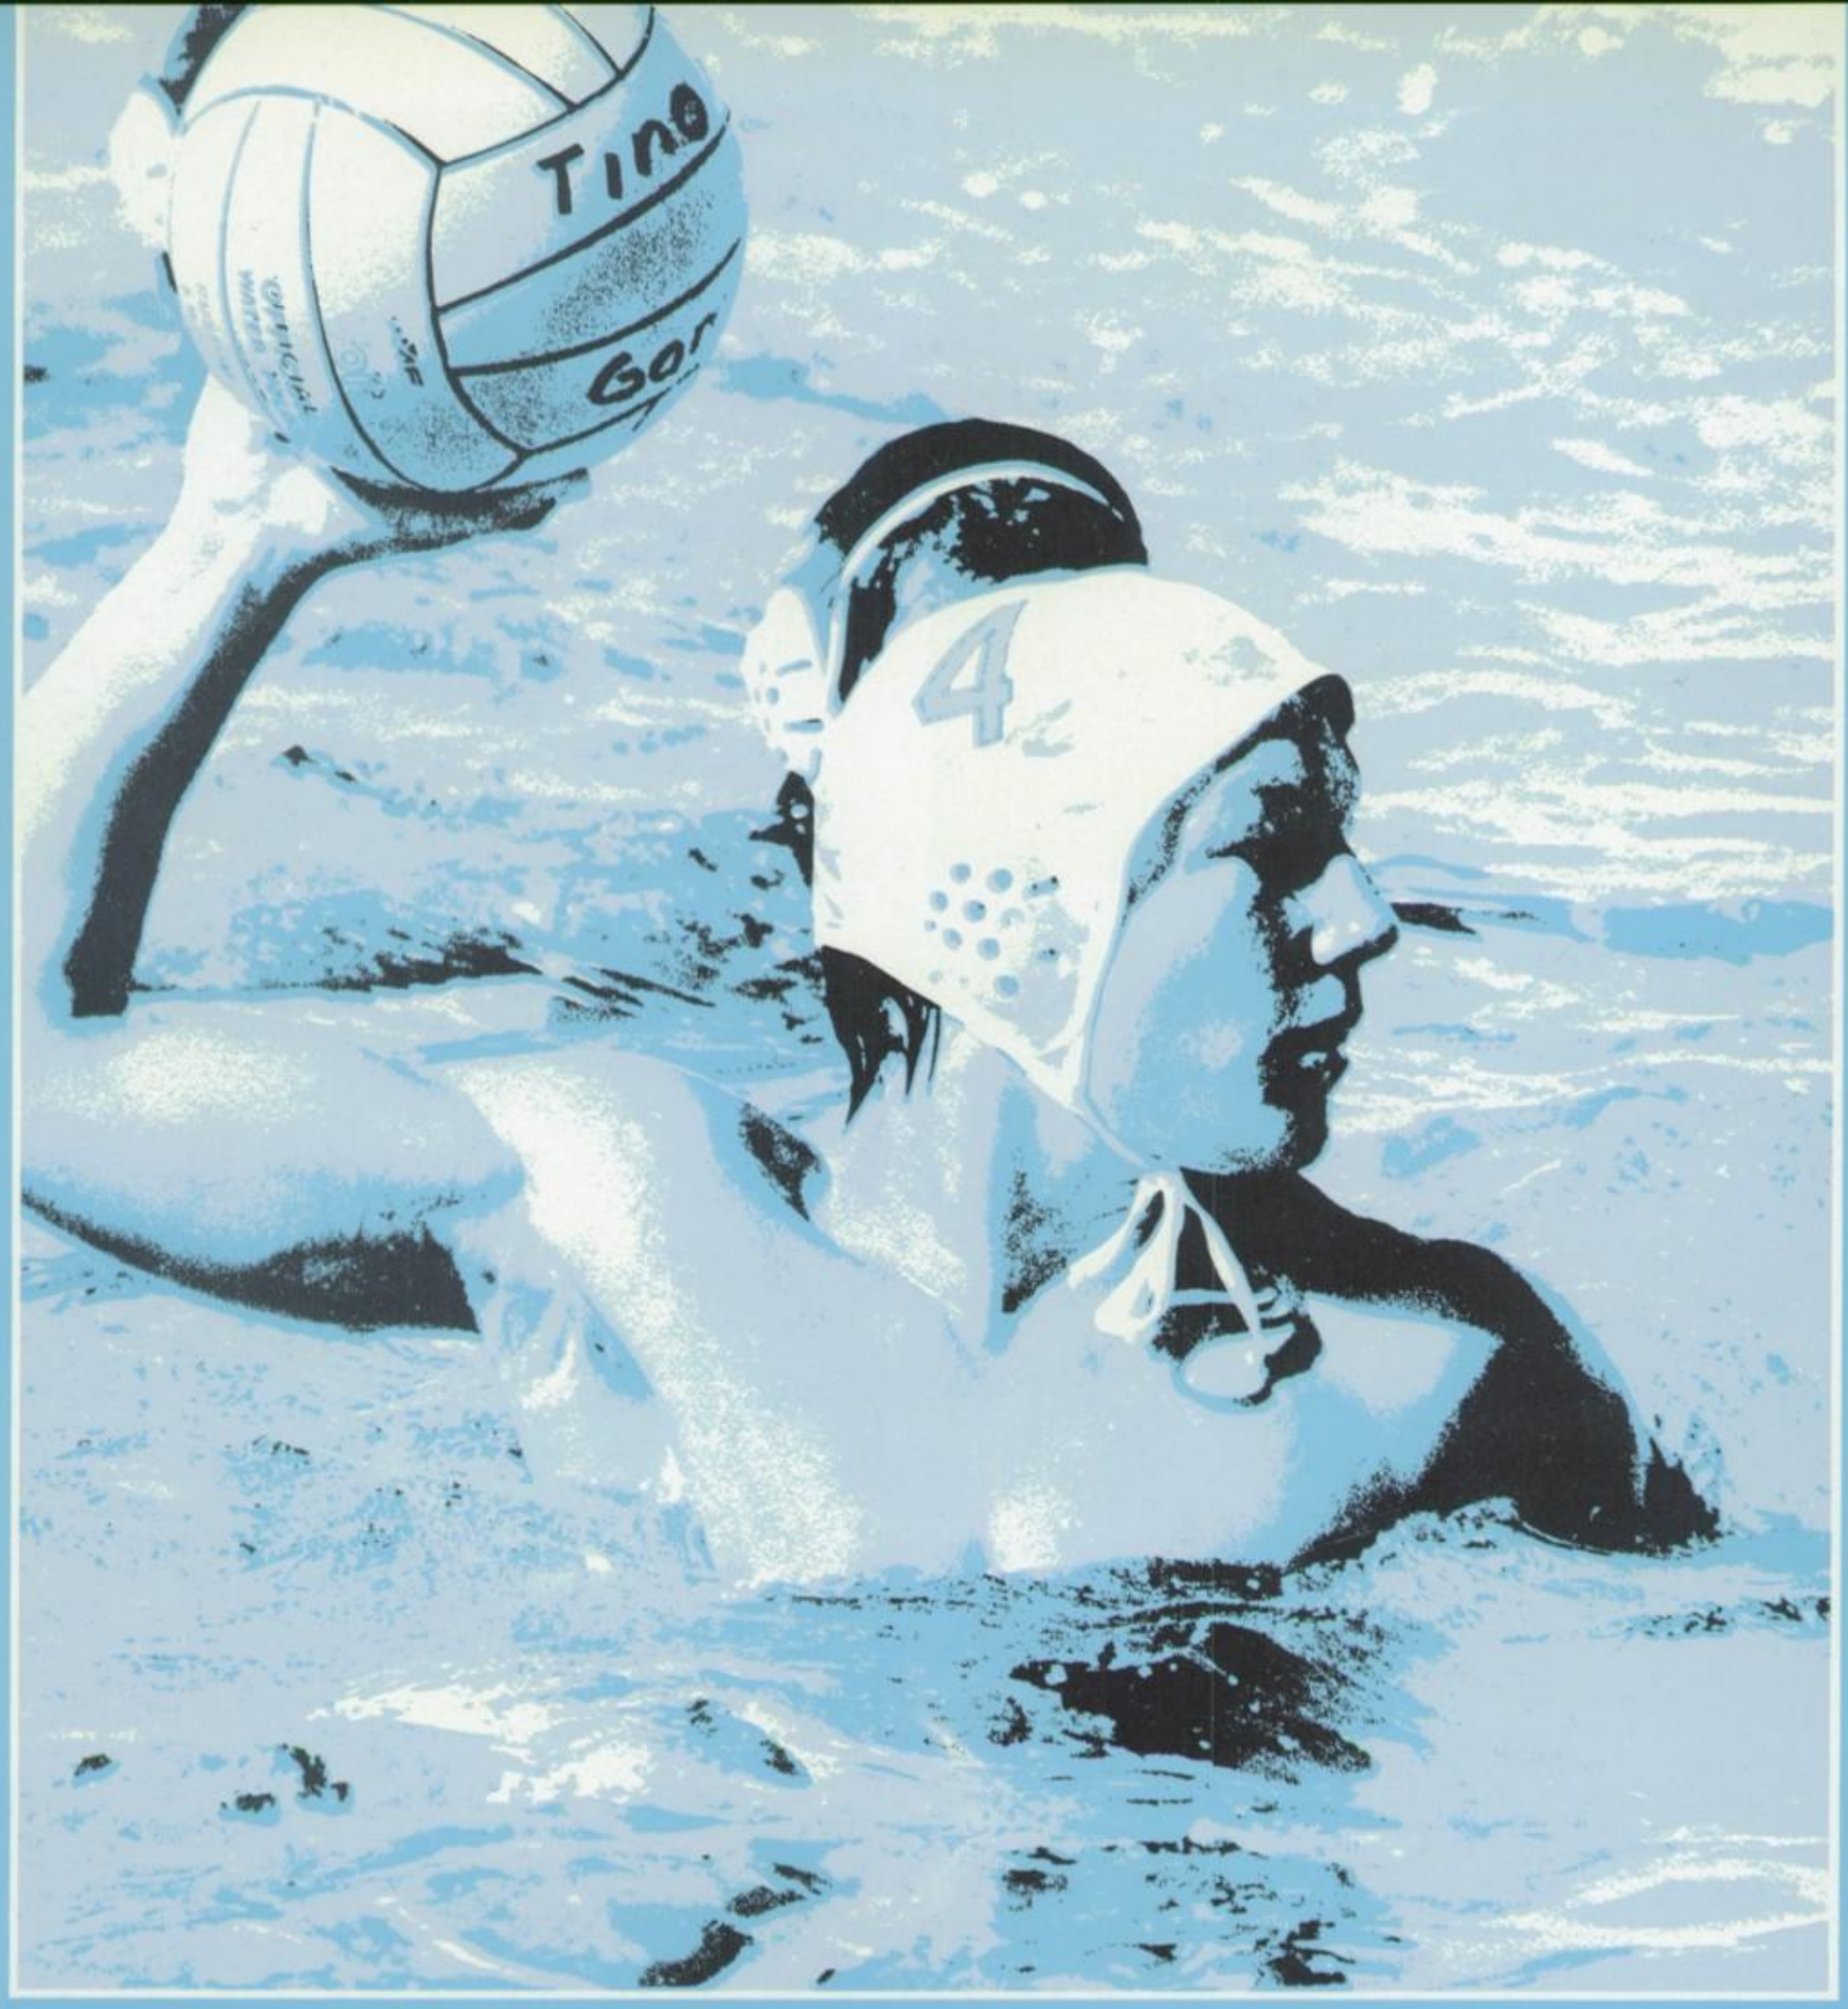
smiles we gave to one another for
the way we were.

can it be that it was all so simple then

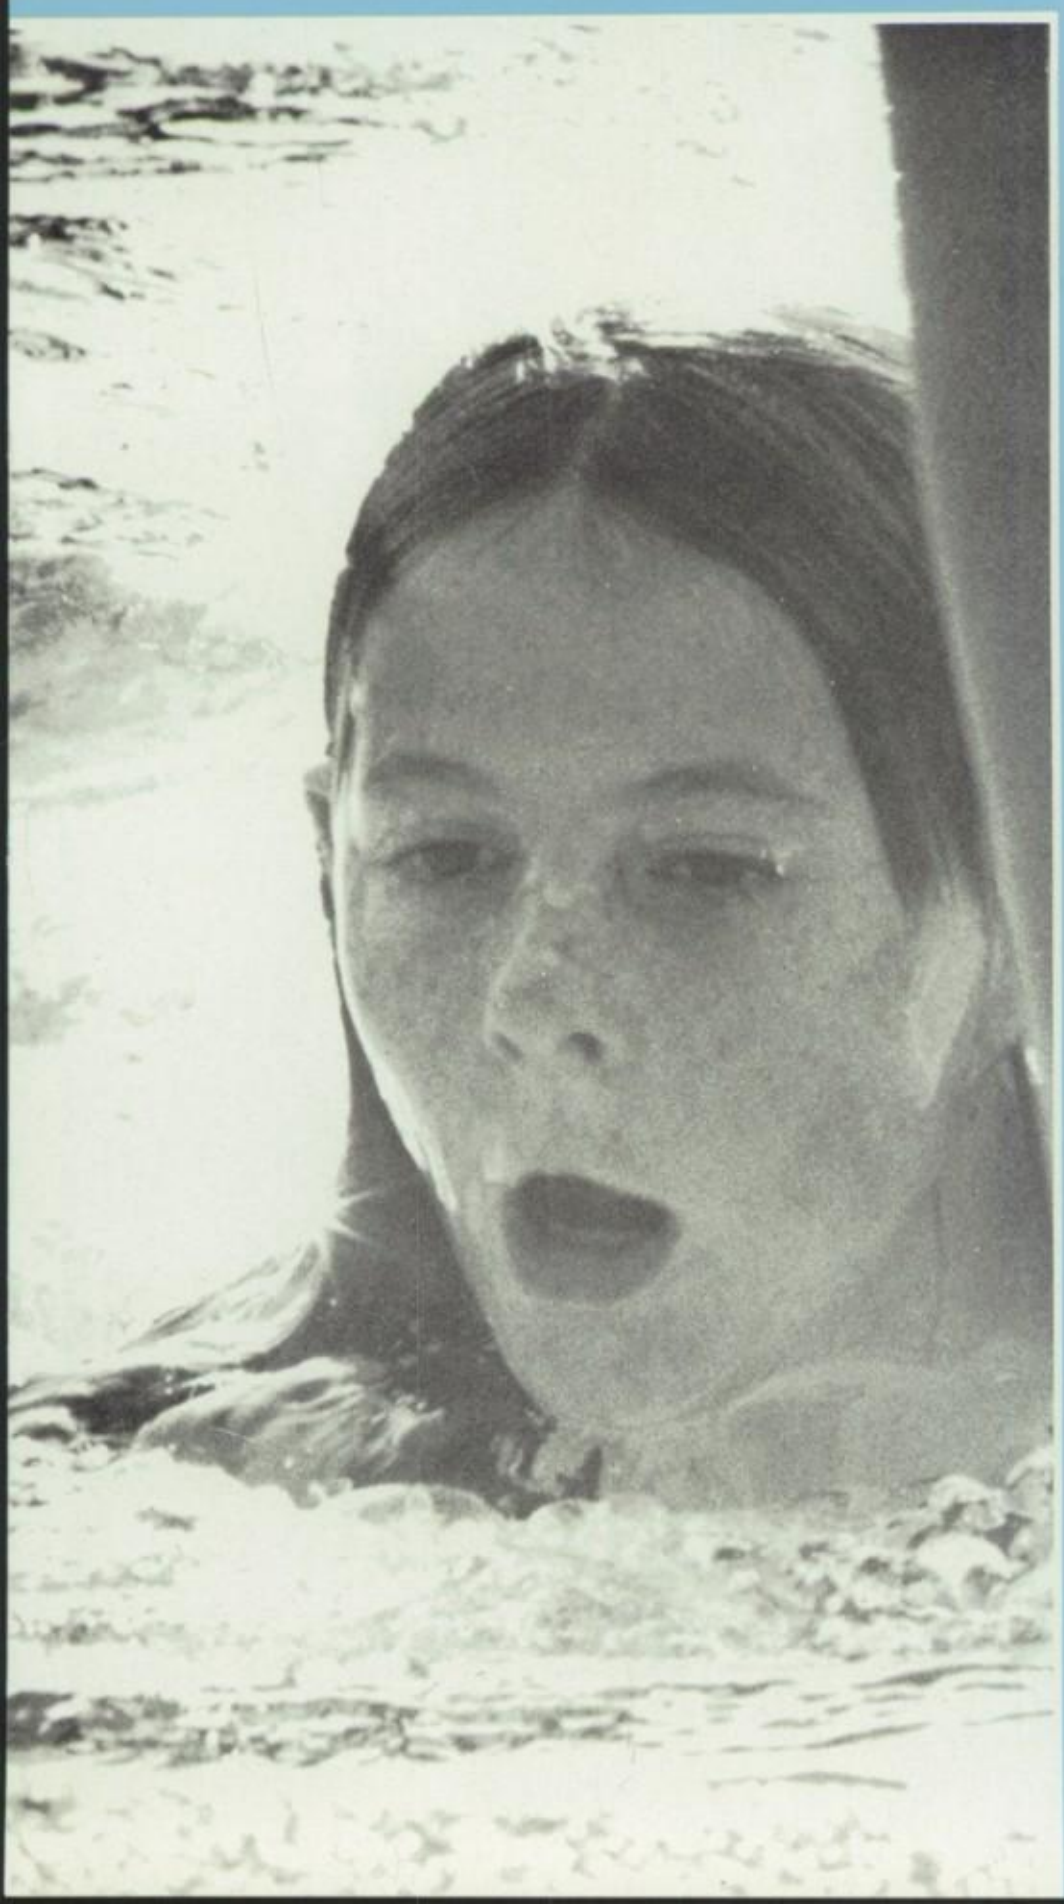


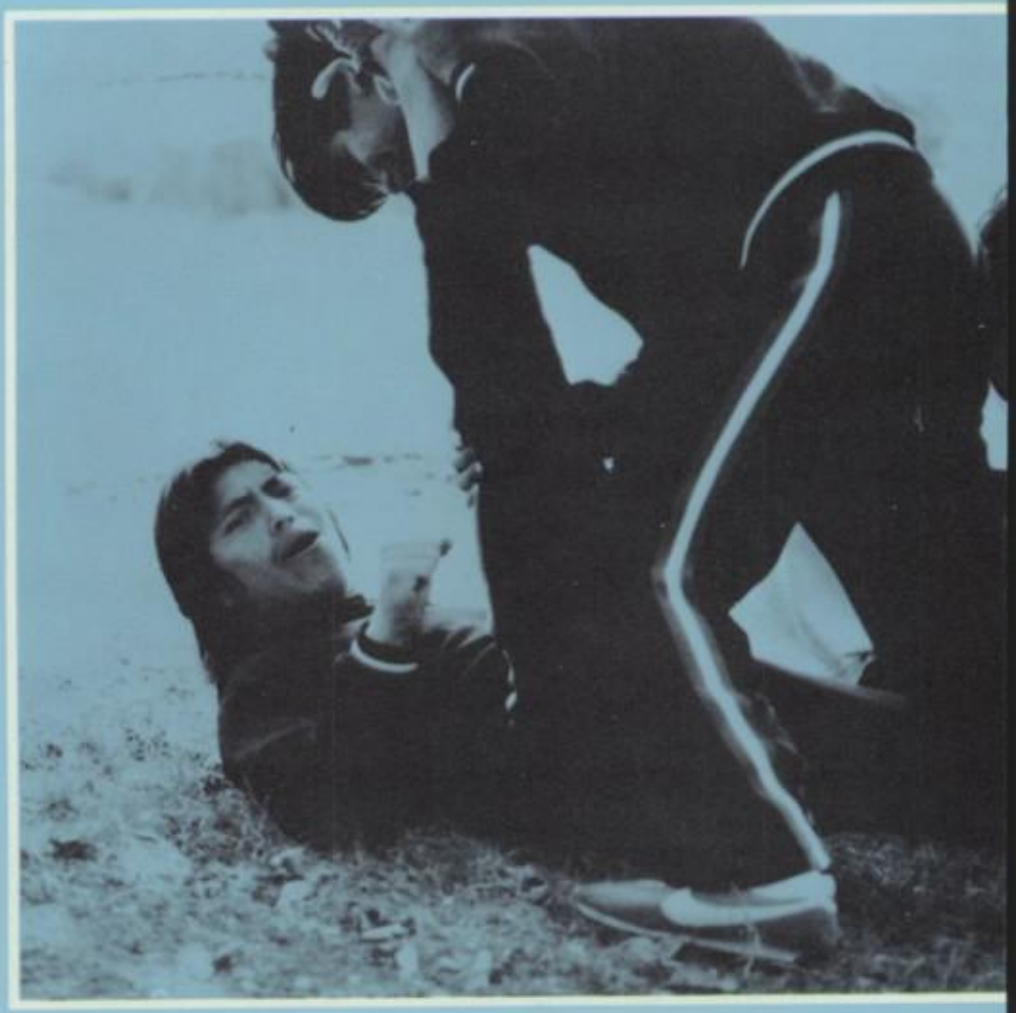


or has time rewritten every line.



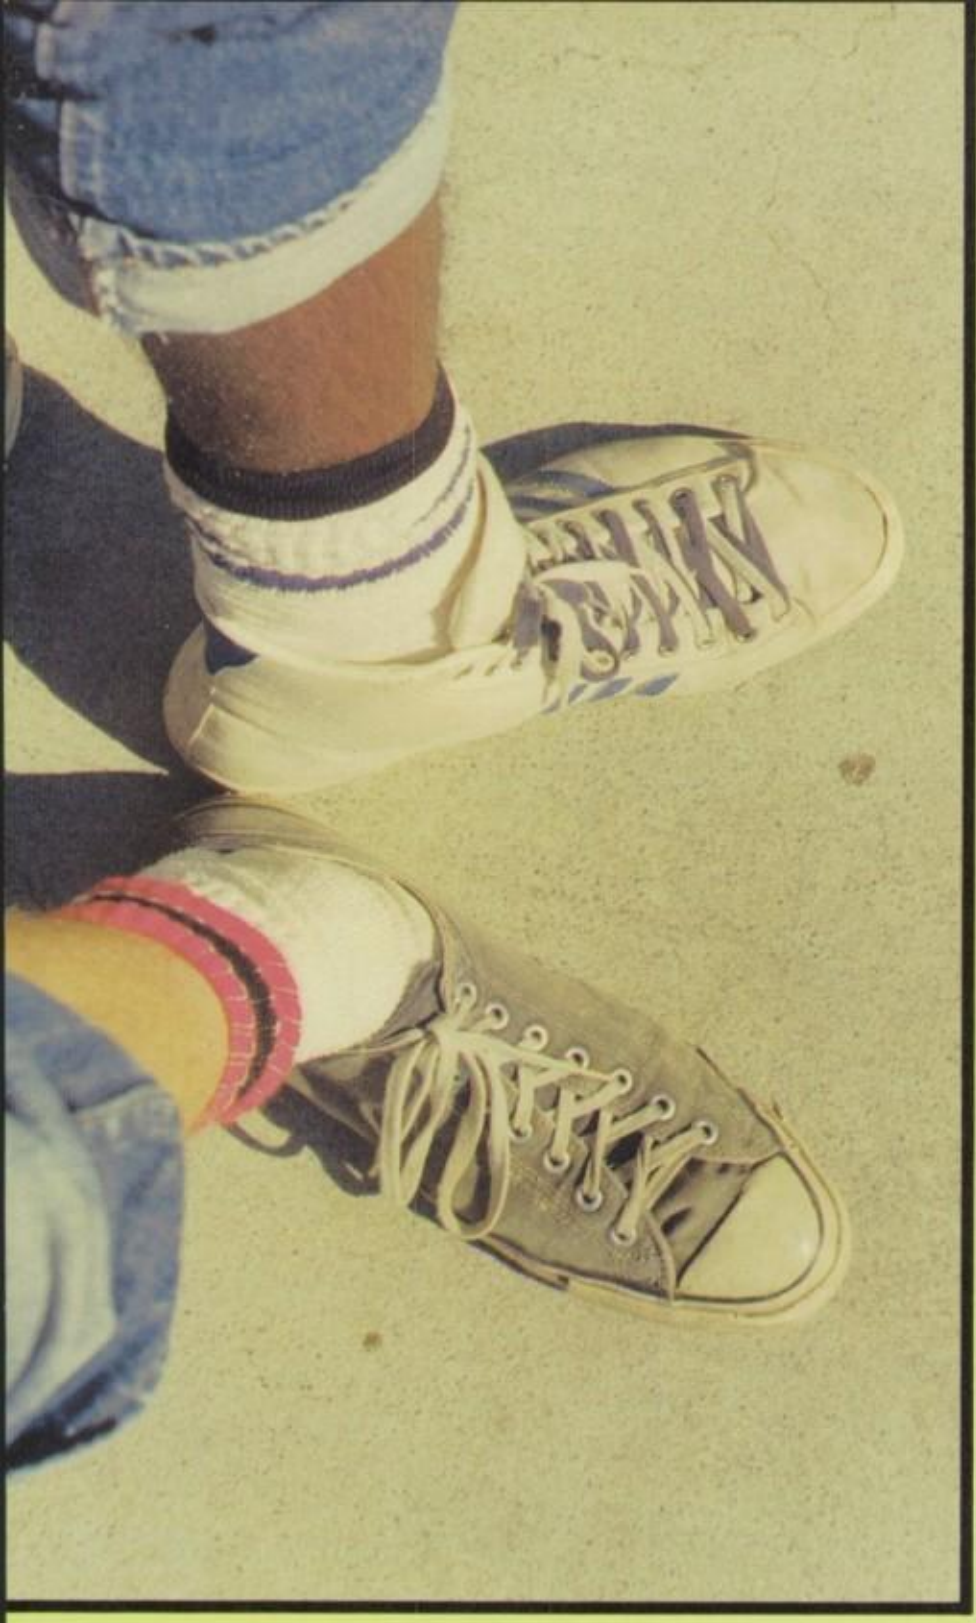
if we had the chance to do it all again





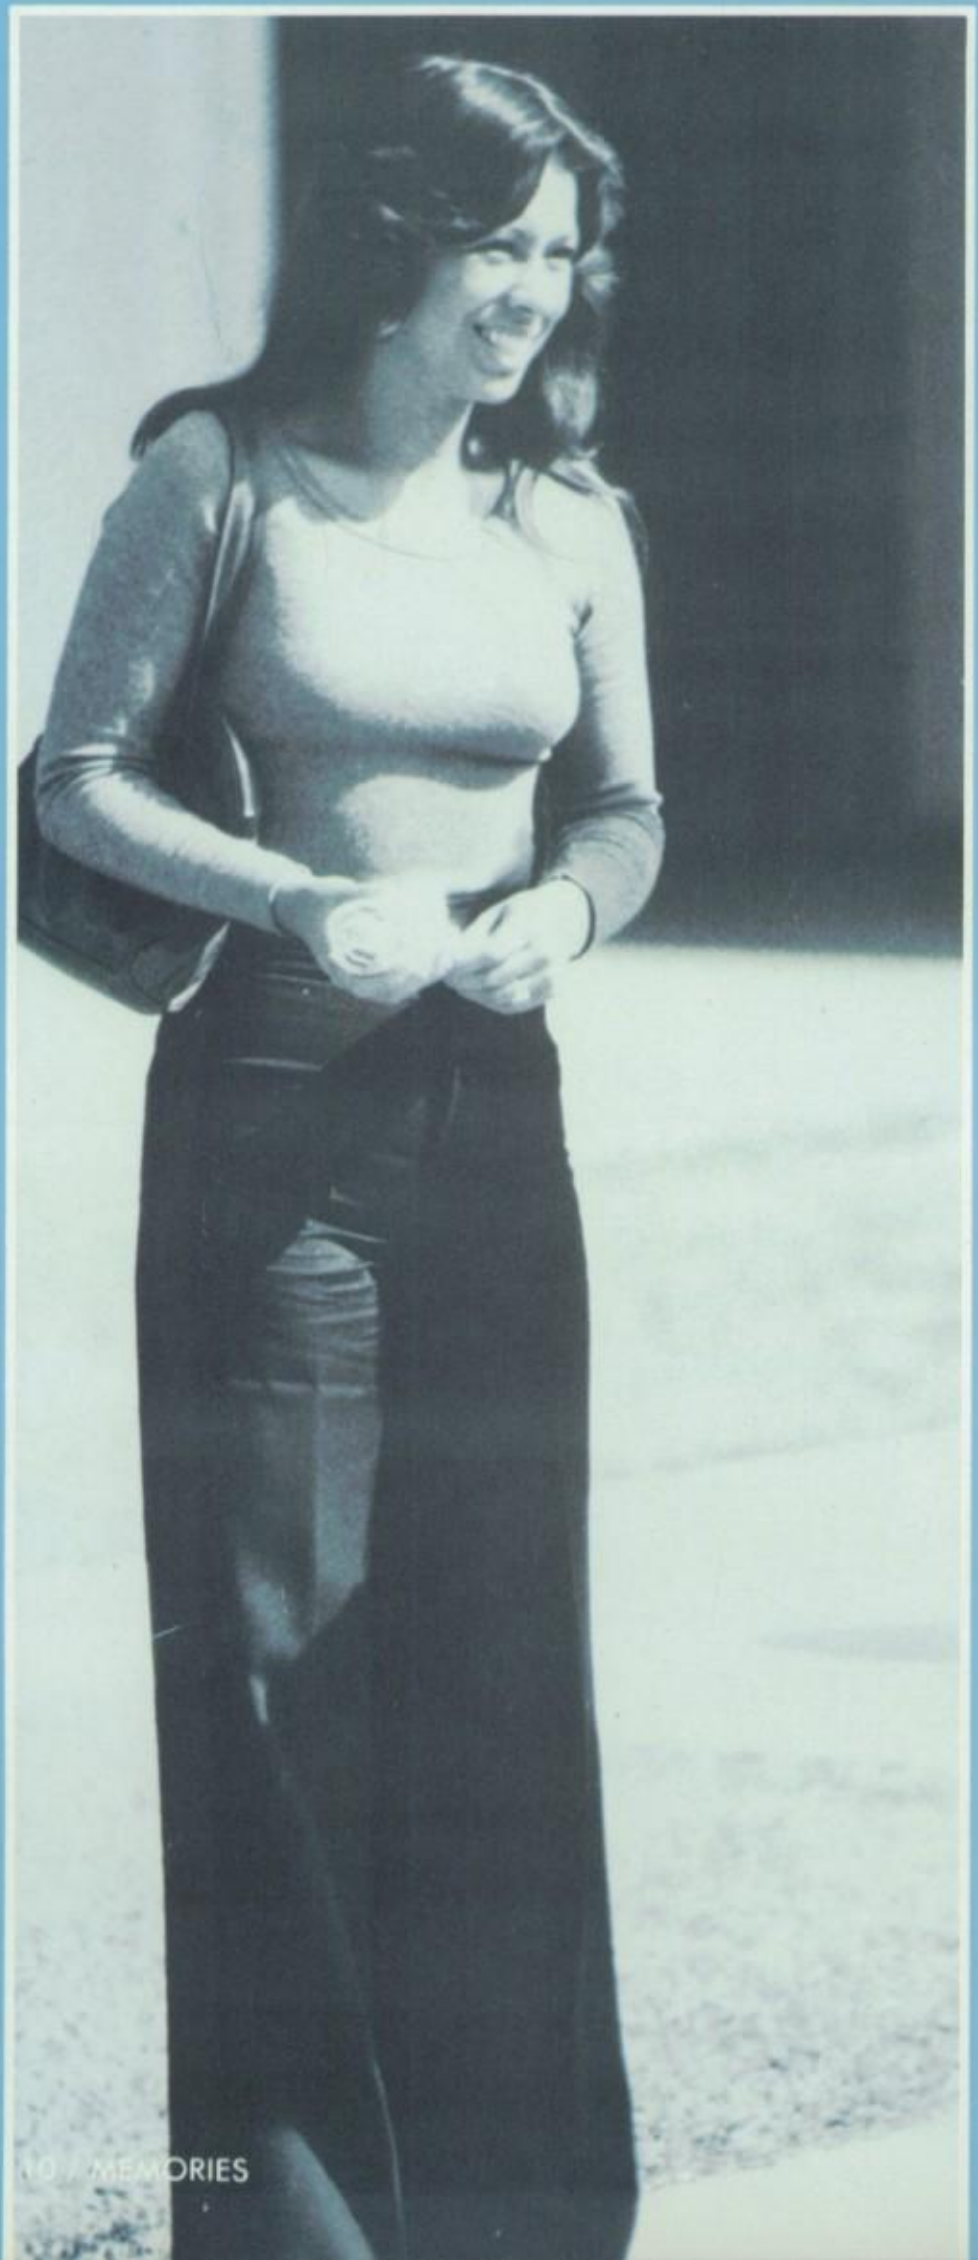
tell me would we?
could we?

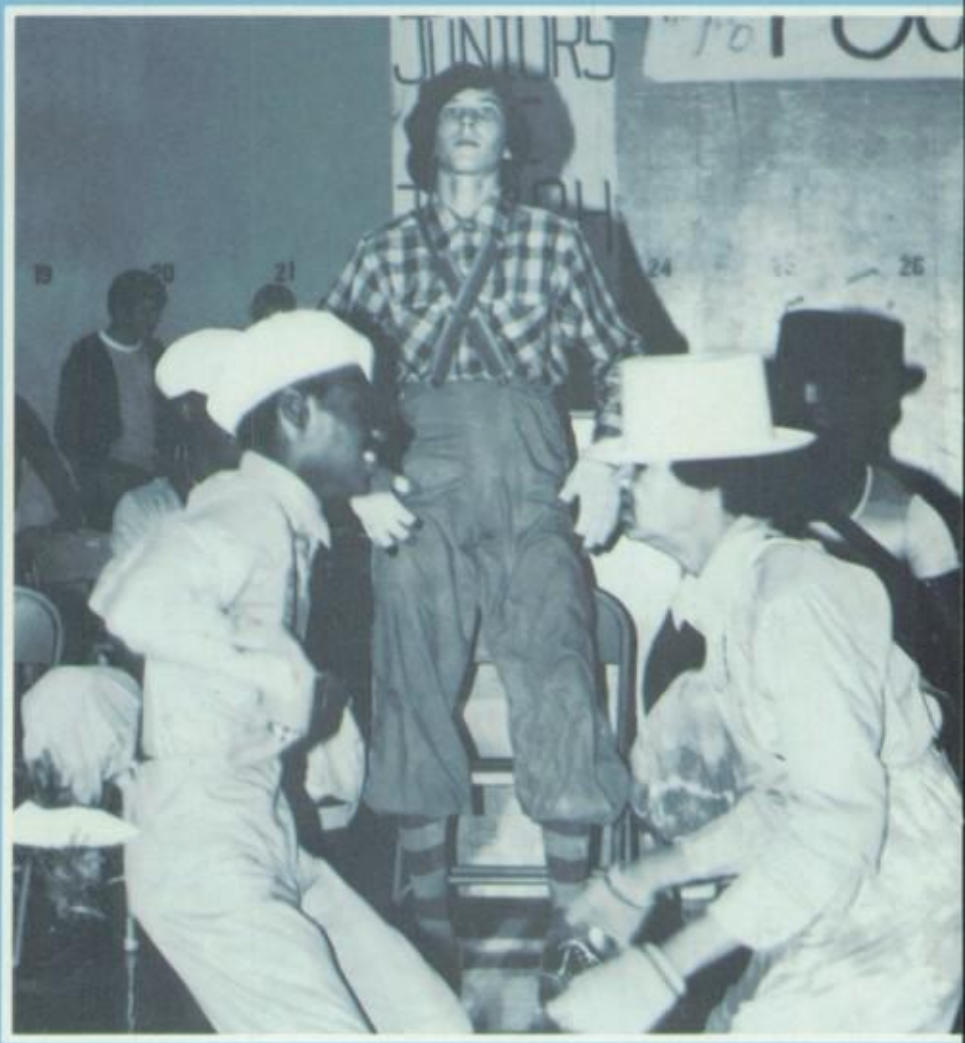
memories may be beautiful
and yet



what's too painful to remember,
we simply choose to forget.

so it's the laughter we will remember





whenever we remember
the way we were.

Mr. Dave Dal Porto's

dedication

to the Mt. Pleasant High School has given the Cardinals reason to believe that he is one of the most involved teachers known.

Mr. Dal Porto, being chairman of the Social Studies Department, combined much of his time and effort with the students to put together a variety of bicentennial skits. This along with his many contributions which have been presented over the daily bulletin gives us the opportunity to look back on the bicentennial year with pride.

Mr. Dal Porto attended San Francisco State where he earned his B.A. degree. He started out student teaching at Terra Nova High School in Pacifica, California. He began teaching in our district at Overfelt High School in 1963. From there he transferred to Mr. Pleasant, becoming one of our first teachers in 1965.

We, the students and faculty of Mt. Pleasant, consider it a privilege to dedicate this 1977 Cardinal yearbook to Mr. Dave Dal Porto.

BELOW: Dianna Romero, A.S.B. President.

1976-1977 was a very successful year for our A.S.B. Executive Council which consisted of 14 devoted members. Being an Executive Council member requires a vast amount of time and work. Fortunately, the members found the time and made our student government function.

Our goals for the year were to improve campus environment, school spirit, the litter problem, and balancing the school budget, and to improve the

efficiency

and effectiveness of our student council. I am proud to announce that in some way or another we accomplished our goals.

I would like to take this opportunity to thank everyone who made 1976-1977 a great year in the history of Mt. Pleasant High School.

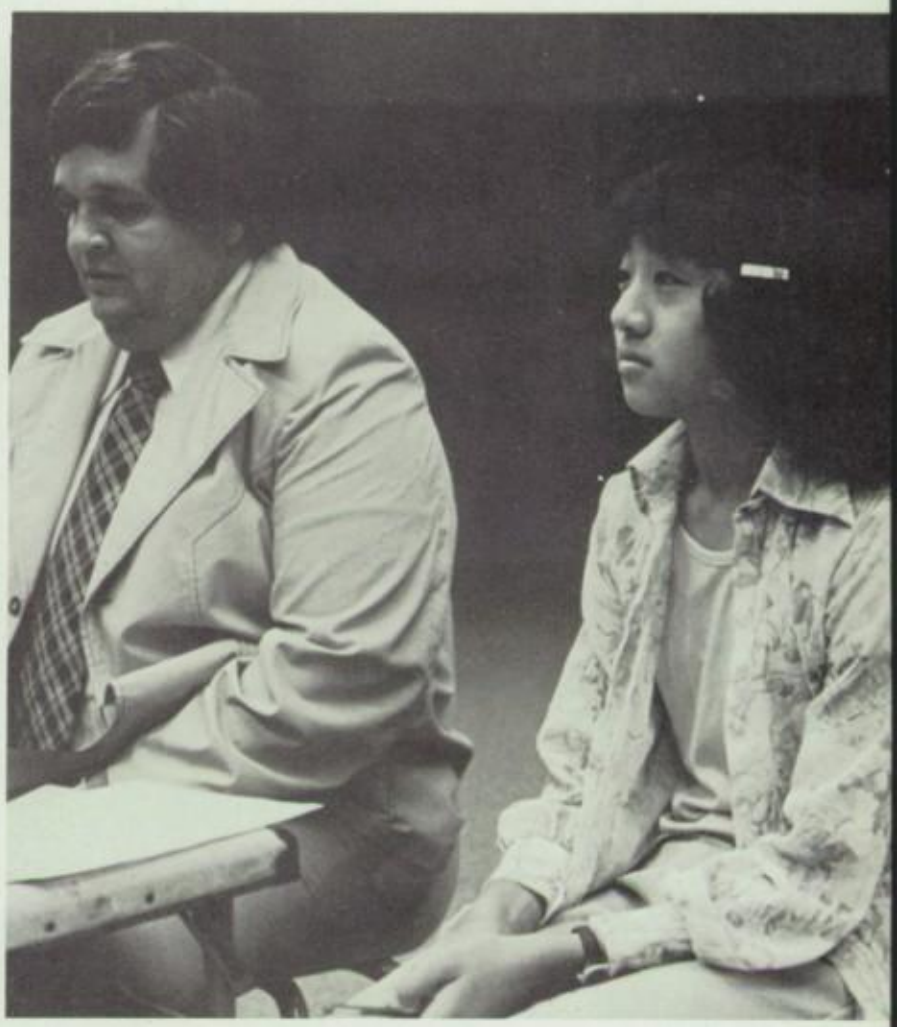
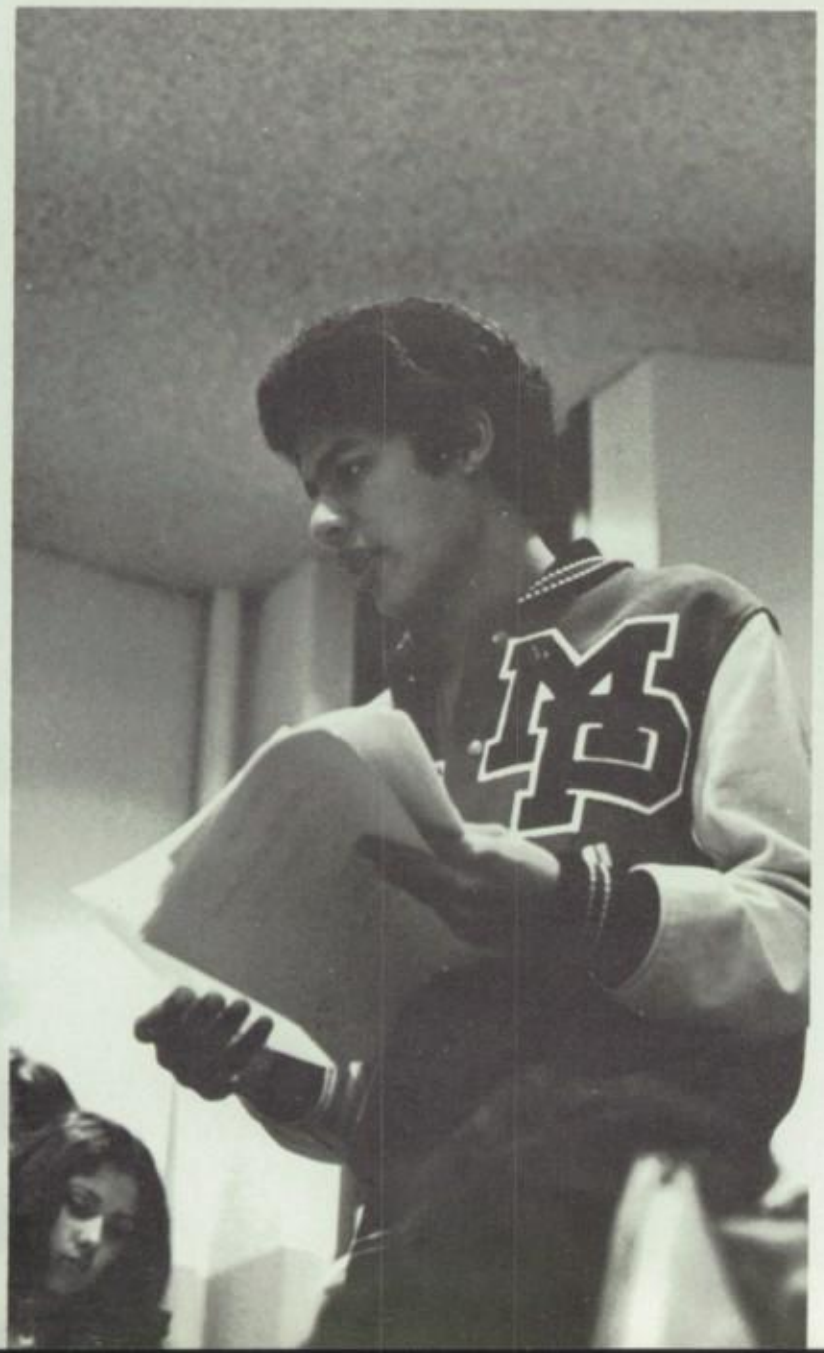
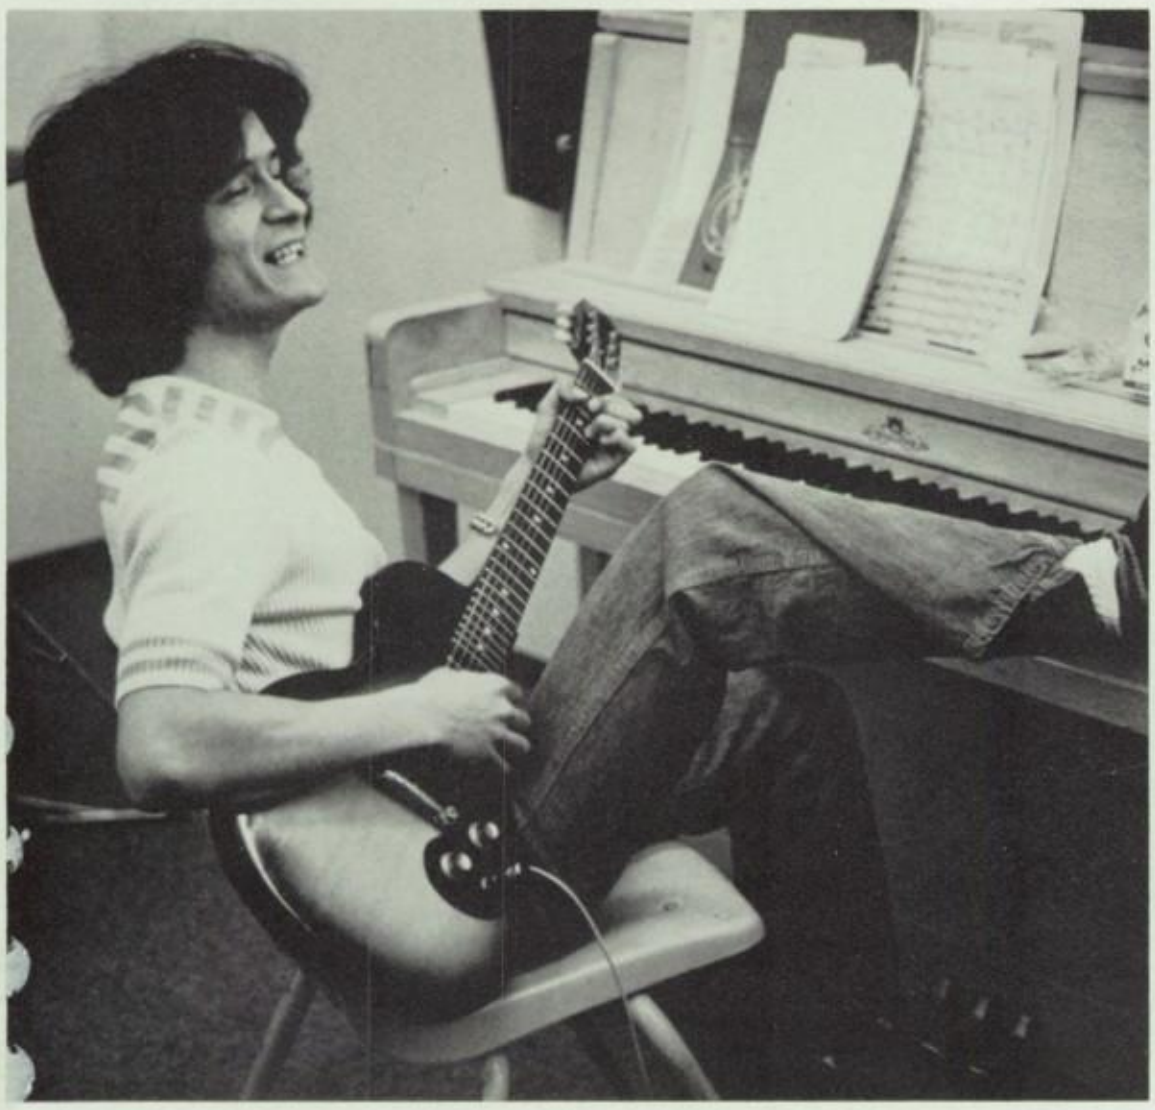
LEADERS OF THE PACK





till it's time to say good-bye

being here with you feels as right as anything could be



For three years the class of '77 had upperclassmen to look up to, but now they've found themselves at the top. Some found it difficult to convince themselves that they were finally seniors, while others caught the "senioritis" bug and comfortably settled back into their roles of "big seniors." Whichever way it was, all could readily agree that time had passed too quickly. They finally understood what all those upperclassmen in the past had told them - Make the most of your high school years because they go by so soon.

The seniors did just that. They were an example that the word spirit is synonymous to the word senior. They were the rowdiest bunch at the rallies. This spirited class knew that they couldn't let their senior year go by without making it the best one ever. For the class of '77', the days of

sparkling

football games, stale hot bread, tromps to classes, and dreamy proms have passed; but no one has forgotten the Monday blahs, warm laughter, forever handshakes and hellos, racing against tardy bells, and last-minute cramming. The worries and decisions of selecting classes, measuring for caps and gowns, handing in scholarship applications, and ordering senior pictures have been completed. Nothing remains for the graduating seniors but stored away memories. Let's share each other until it's time to say goodbye.

I've known you for such a long, long time.

The Cardinal varsity water polo team placed second in the

strong

southern division and went on to take third in the league play-offs. The team was led by first team all-league Norman Villanueva and Thad Apanasewicz. In addition, captain, Steve Lynn, was selected to the second team and John Bean received honorable mention recognition. In 1977 the varsity will be without the services of seniors John Adams, Richard Carr, Ernie Villanueva, and Thad Apanasewicz. While the seniors will be missed, the future remains bright as 8 returning lettermen and members of another championship frosh-soph team will be on hand to lead the Cardinals to victory.

RIGHT: Coach Tully

ABOVE: Coach Bonner

We're gonna make our dreams come true.

The frosh-soph water polo team ended the season as league champions for the second consecutive year. The cards were

undefeated

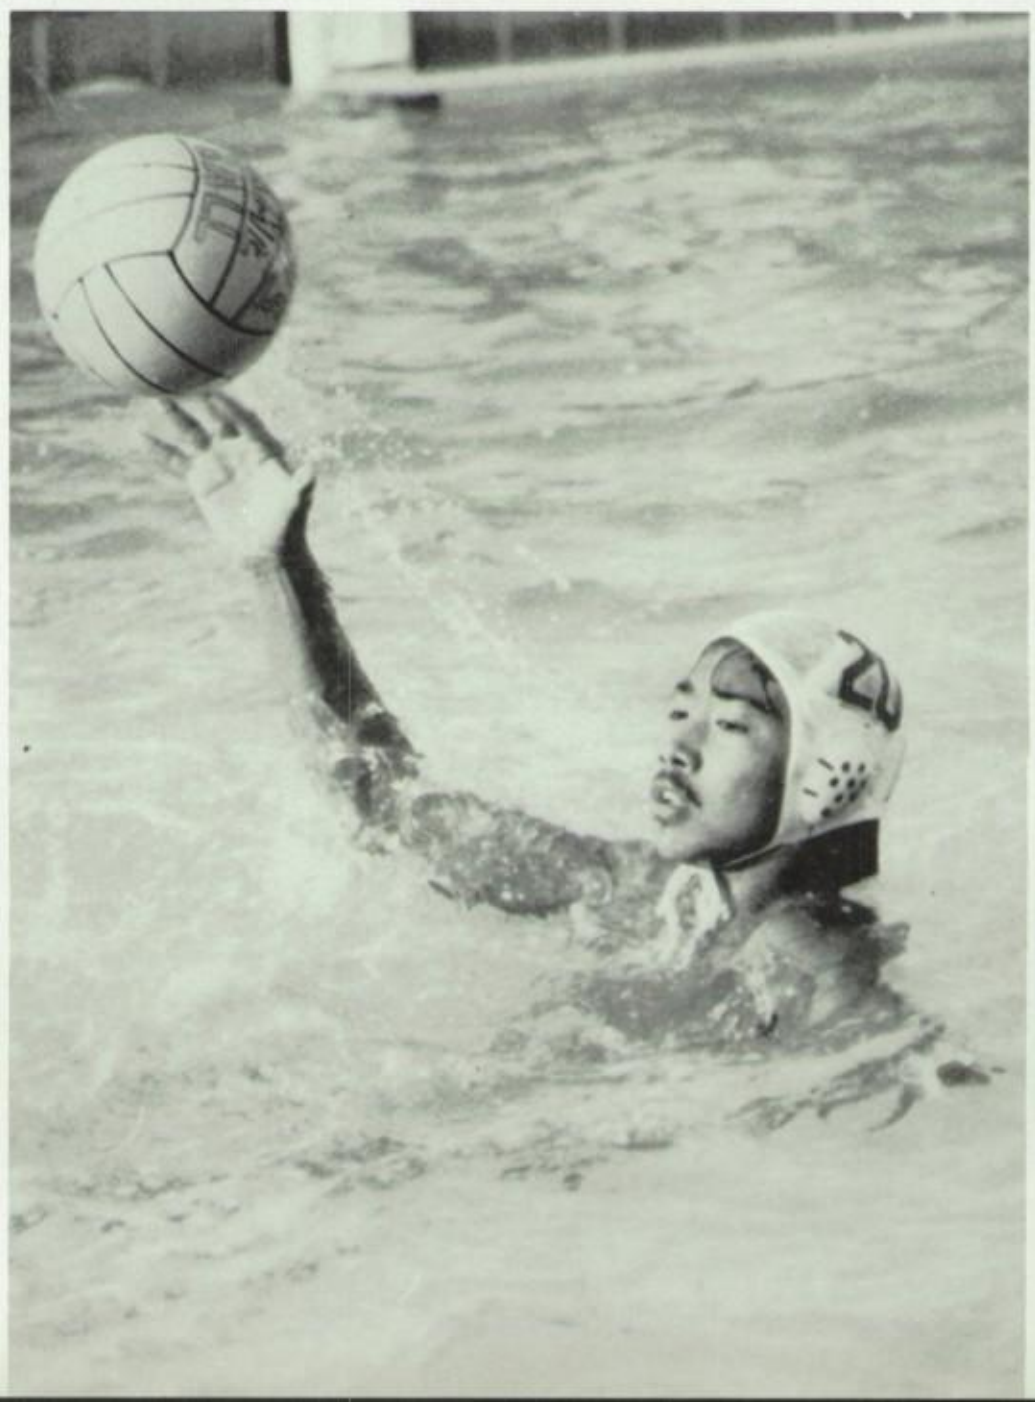
in league play.

The team was led offensively by Noel Villanueva, who was also selected as the team's most valuable player. In addition, Kirk Shaffer proved himself to be one of the finest frosh-soph goalies in the league. Other sophomore standouts were Tom Smith, Tom Swanson, and Rich Broers. These players and the remaining sophomores should help the varsity team remain as a top contender in the M.H.A.L.

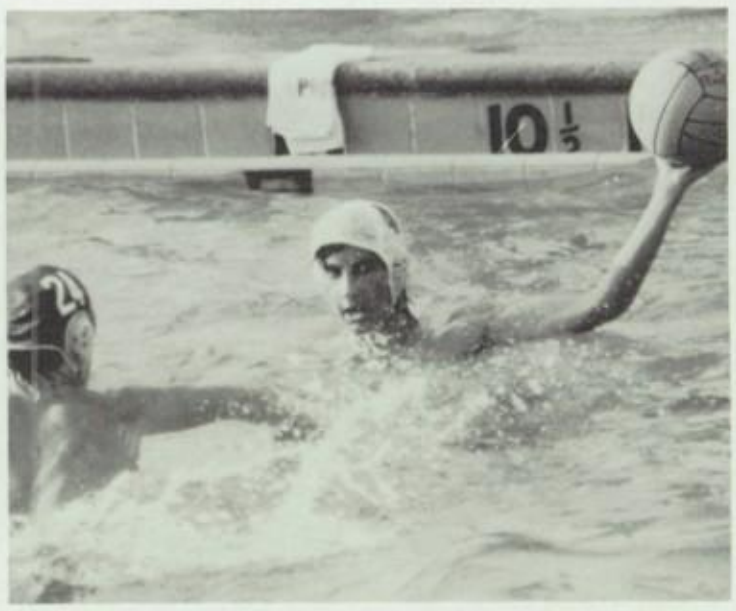
Expected to follow in their teammates footsteps are freshmen standouts Jeff Smith, Tony Barerras, Steve Potts, and Scott Munro.

1st ROW: N. Villanueva, T. Smith. 2nd ROW: J. Smith, T. Swanson, K. Shaffer, S. Munro, T. Barreras. 3rd ROW: C. Cerra, J. Loyd, R. Perkins, C. Hermosillo, J. Slyter, R. Broers. 4th ROW: E. Bernaldes, G. Croft, G. Rodriquez. NOT SHOWN: Q. Albin, R. Garcia, S. Potts, D. Roderick, A. Villarreal.

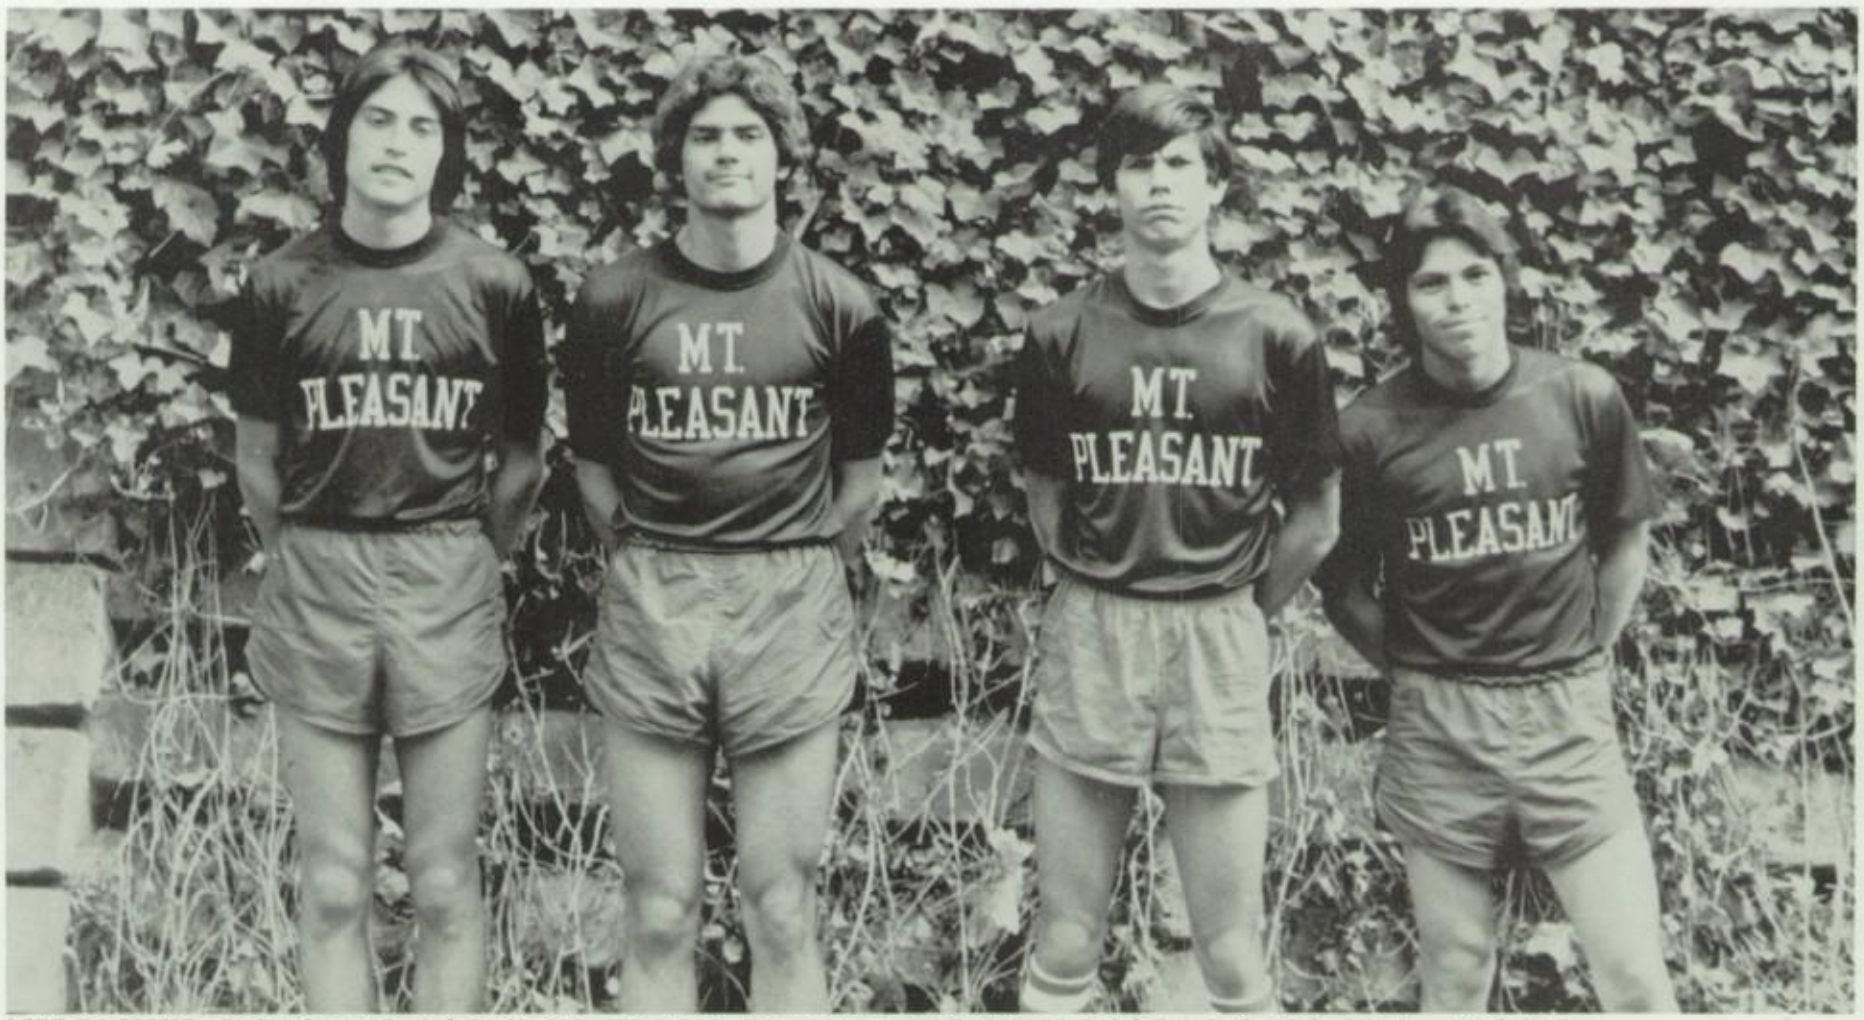
Doin' it our way.



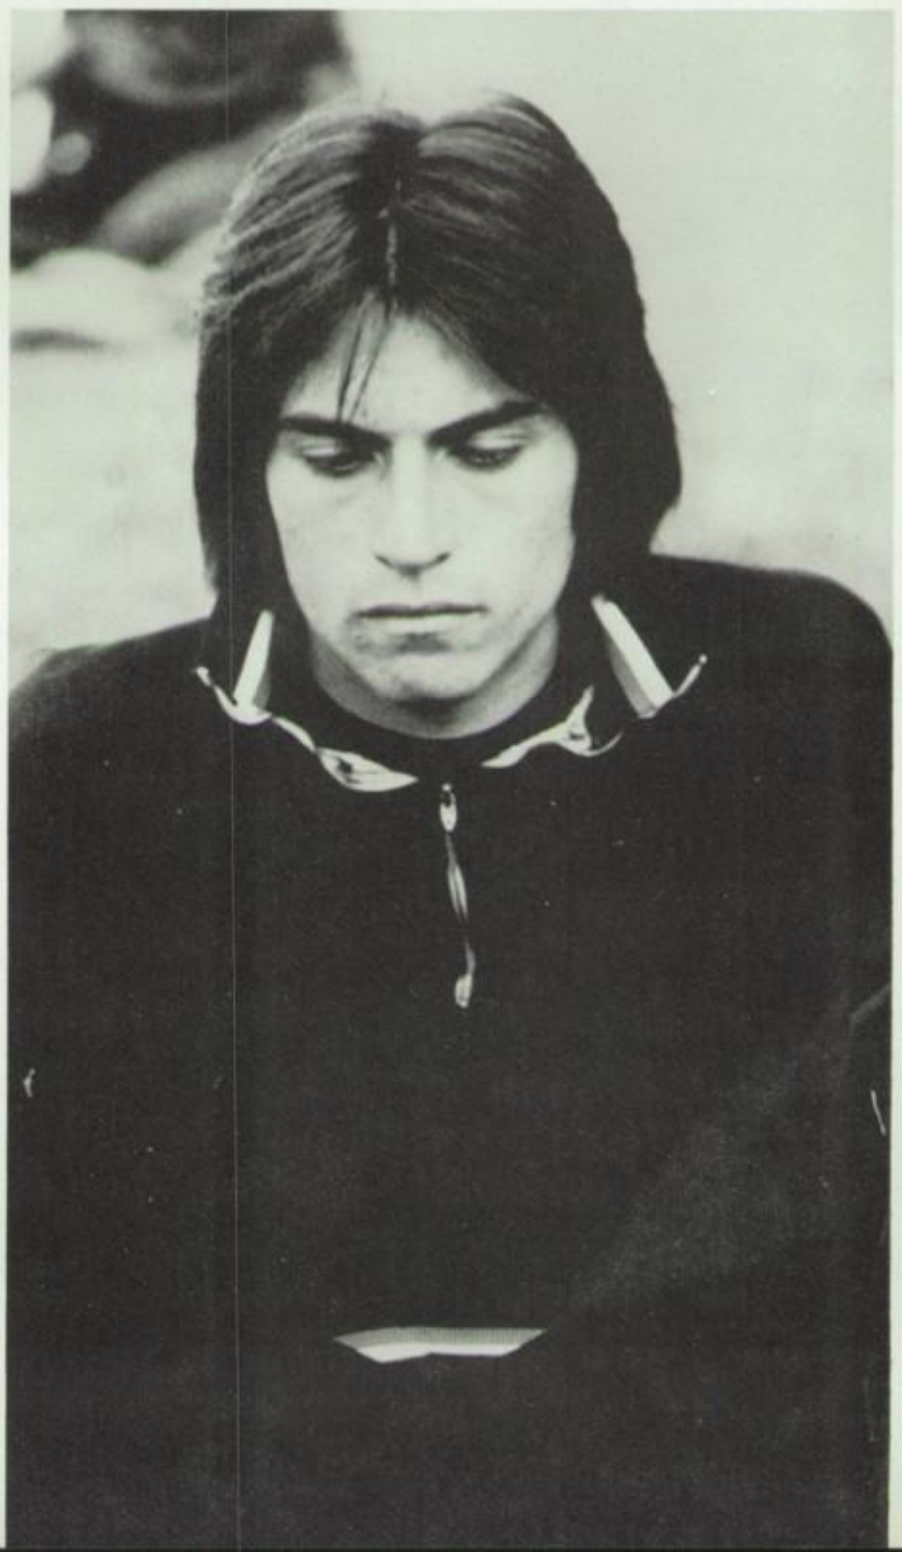
CLOCKWISE: Jeff Smith, The 3V's, Go Frosh-Soph!, Noel Villanueva.



CLOCKWISE: Go Varsity!, John Bean, Rich Broers, Mike Rentillo.



LEFT TO RIGHT: Carlos Carrasco, Bob Melendez, Jim Howe, Tony Munoz. NOT SHOWN: Ralph Esquivel, Ricky Vitales, Mark Torres.



ABOVE: Coach deDiego. RIGHT: Carlos Carrasco.

. . . nothing's gonna turn us back now . . .

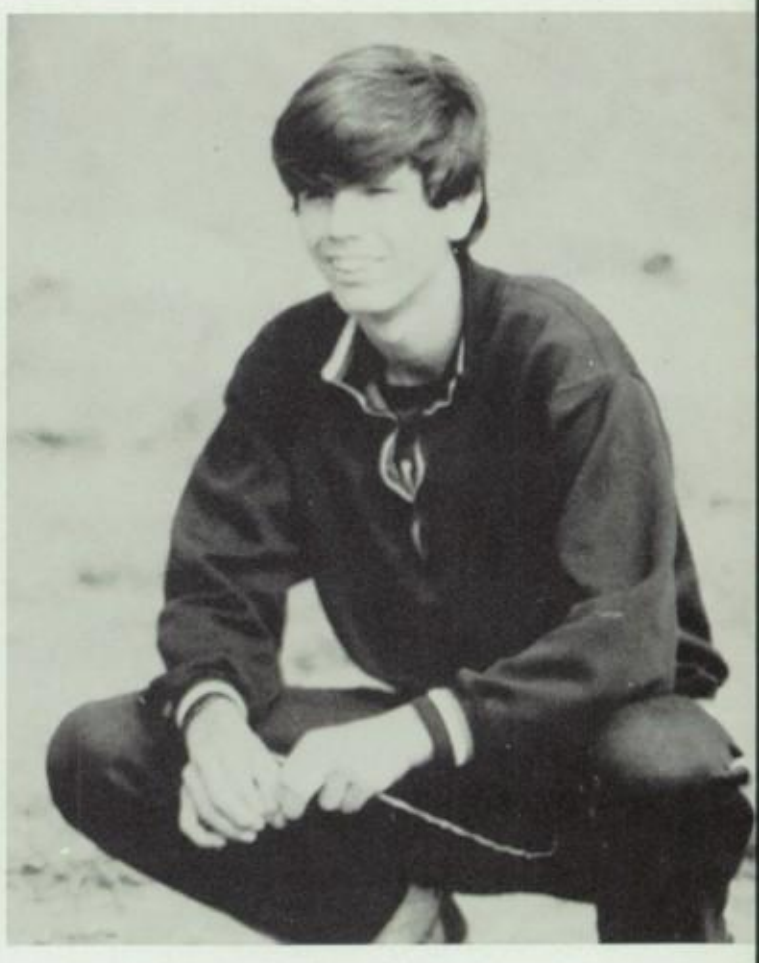
The 1976 Varsity cross country team was loaded with fine talent. Leading them was the sensational Carlos Carrasco. So far he has set three course records, all of this has been accomplished as a sophomore. He is very hard working and thrives on competition. Along with Carlos there were many other

outstanding runners

five of them seniors. Captains Jim Howe and Ralph Esquivel, along with Tony Munoz, Rob Melendez, and Rick Vitales have been a tremendous asset to the M.P. cross country team these past four years. We want to wish these individuals the best of luck in the future and much continued success. Rounding out the team was another sophomore, Mark Torres. Mark was brought up from the J.V. squad and has assumed fifth position on the team.

The varsity team won the Soquel Invitational and placed high in the Stanford, Alum Rock, and Leland Invitationals. This year's team, as in the past, was a threat in the regional and section meet towards the end of the season. Thanks for a fine job.

TOP TO BOTTOM: Ralph Esquivel, Bob Melendez, Mark Torres, Ralph Vitales. BELOW: Jim Howe.



The junior varsity squad was led all season by Luis Garcia. Luis, a fine runner, has placed very high in major invitationals. Paul Carriere, Dave Nava, Dave Lepori, and Dan Howe have rounded out the first five members of the team. All five individuals did a

great job.

Wil Ponce, Chuck Morrison, Sean Issac, and Angel Dominguez pressed for the fifth position. Ken Okumura suffered a minor injury which kept him from a couple meets but his return made the squad even tougher.

This fantastic squad will make next year's varsity that much stronger.

This year's freshman team had the makings of another fine team. They were led by Felix Soto. Felix has won quite a few major invitationals and in the years to come will be a great asset to the red bird squad. Pinky Rivera and Ralph Vitales, along with Eugene Sanchez, Ken Ruiz, and Paul Sabedra had been

battling

for the top five positions. Rounding out the team are Dan Rentillo, Roy Phillips, Roger Clever, David Debert, Warren Mau, Ted Trujillo, Paul Thornbergh, and Lance Weldon. These young men worked very hard all season and all of their successes can be attributed to this. Look out for the class of '80.

We're gonna make our dreams come true.

Graduation in 1975 saw nearly the entire Mt. Pleasant football squad leaving us to enter the "real world". We went into the 1976 season with only three returning starters. Inexperience proved to be our biggest enemy. Many of the players contributed greatly to the team, but a few seniors should receive special recognition for hard work, leadership, and

pride in themselves

and their team. John Buchanan and Dave Saracco were voted team captains. The team could not have chosen two finer men to represent them. They stood strong at all times and were outstanding examples for all the players. Gasper Carmona, Kelvin Davis, Gary Gamino, and Varsi Littlejohn not only showed leadership qualities, but put the team ahead of personal accomplishments. The young players can thank these men for their fine example.

The quality of the players was evident this year with three players moving up to the Varsity early in the season. Other players on the team did equally as well and deserve mention for their

efforts

The offensive team was made up of the following players; the quarterbacks were Shawn Eagen and Luis Apodaca. The running backs were Steve Campbell, Marvin Sandera, and Ronnie Hills. The offensive line was made up of Wesley Maxwell, Dwayne.

The Frosh offensive unit was led by Q.B. Phil Gillespie and Amos Marsh. The receivers included Joey Viramontez at tight end and Mike Bourne at flanker. The split end duties were shared by Greg Loyd, Carlos Rivera and Del Drane. The defensive unit,

mainstay

of the team, was led by hard-tackling, Jim Romero and Tony Roach on the line. The other two line positions were filled by Robert Garcia and Mike Bourne. The linebackers found four outstanding players filling these positions in two-way man Joey Viramontez, along with the Johnson Combo, Craig and Ruben, and rounding the linebackers was Keith Walker. The freshmen team had some outstanding football players in the likes of Tony Roach, Jim Romero, Joey Viramontez, Derrick Shaw, Keith Walker, and Phil Gillespie. These players will be an asset to the Varsity in the upcoming seasons.

The Cardinal Basketball team of 1976-77 had its high and low points. Bobo Campbell was the lone starter from last year's team. Joining Bobo were Earl Phillips, Bruce Hypolite, John Buchanan, Aaron Stokes, Jim Hoppe, Randy Crittendon, Mark Swan, Jose Martinez, Jose Daysog and Vosery Elbert. The Cardinals reached the finals of the Buchser Tournament but lost to a strong Mitty team.

One bright spot for the Cards was the play of Bobo Campbell. Bobo finished his career leading the M.H.A.L. in scoring and the #4 scorer in the C.C.S. with an average of 22.1. Bobo became the career scoring leader, scoring 1078 points in three years. This is an average of 14 points per game. He also established new records in rebounding. He twice

grabbed

24 and 25 rebounds in single games this year to break the single game record. He averaged 16.5 rebounds for the entire season. Bobo at the time of this article, is being recruited by several major universities. Bobo has established himself as the greatest player in Cardinal History.

Currently Mt. Pleasant has several players of recent years playing basketball on the college level. Ken Downey Portland University, Roy Joshua San José City College, Roy Hutchins Napa J.C., Glenn Simmons, U.C. Riverside, Frank Chandler U.C. Irvine.

The Cardinal team of 77-78 will be young and inexperienced.

Basketball games are won or lost by playing defense. By adding rebounding and intensity (desire) a team can attain Championship caliber. Mt. Pleasant's Frosh-Soph basketball team put together all three

ingredients

(defense, rebounding, and intensity) to finish in 2nd place with a 7-3 record. The Cardinals' high point of the season was its upset win over 1st place Yerba Buena. The win snapped YB's 18 game winning streak.

Contributing to Mt. Pleasant's fine season (it's best in 6 years) were guards Greg Loyd, Steve Tate, David Shaw, Sal Garcia, and Tyrone Barnes. These young men displayed the necessary quickness and stamina that are required of a pressing 2-1-2 zone defense. Louis Apadaca, Wesley Maxwell, John Walker, Richard Ambris, Rick Pilkay, Ron Aarons and Mike Tate controlled the defensive boards and contributed much needed depth.

This year's team promised to be the best team I have ever coached. It was a young team made up mostly of juniors; however, this team had more

experience

than prior varsity teams. Our win-loss record was not particularly impressive, but Mt. Pleasant will be in contention for the MHAL crown next year. We have become a respected and feared team by every team in our league. Standouts this year were Antonio and Roosevelt Ferriera, Mike Donaldson, Benny Pausanos and Kevin Sterling. All of our "tough" games with teams such as Piedmont, Independence, Silver Creek, Santa Teresa and Overfelt were very close. Both varsity and frosh-soph teams have improved tremendously over the past years. This school now has a "strong" soccer program. I wish to thank both Coach Guerra and all the members of the soccer teams for their dedication and hard work.

CLOCKWISE: Ben Law, Jesse Gonzales, Coach Ed Guerra, Manual Goulard.

The 1976-77 Frosh-Soph soccer team was

blessed

with good, experienced players and more good freshmen than in my previous two years as Frosh-Soph soccer coach. Team co-captain Luis Garcia, a standout in last season's title, again played outstanding, level-headed soccer and promises to be a league leader in scoring next year. Co-captain Ben Law, perhaps the best overall player on the team, was unmatched in the league for his ability to read and sense any kind of situation. Randy Douglas and Jesse Gonzales led a great defensive effort. Tony Soto played the forward wing smoothly and with an excellence of his own. Robbie Branch and Pat Stelma came on strong later in the season, both playing very well.

Frosh standouts included Manuel Goulard, Anthony Castelo, Emilio Garcia and Joe Faria.

Our season, although not perfect, was a big success and shows a promising squad for next year when we will again be top contenders for the league title.

Both teams and coaches give their special thanks to their manager and biggest fan, senior Todd Ragsdale.

This year's Varsity Track Team seemed well on its way to winning its seventh straight League Championship despite the heavy graduation toll from last year. The Card

ovalmen

were led by the likes of Tim Curry and Troy Durio in the hurdles; Varsi Littlejohn, Rod Dawkins and Carlwell Hathorn in the sprints; Derrick Carter and Reggie Green in the middle distance; Jim Howe, Bob Melendez and All American Carlos Carasco in the distance; and Robbie Perkins, Joel Wyrick, Hosenberg Pereira and L. B. Wallace in the jumps. The team worked very hard, and the early season results showed that we will be a team to be reckoned with in the future.

The Frosh-Soph Track Team was well on its way to its fourth straight undefeated season. The Cards showed great balance and

depth

they were led by Rich Cummings in the hurdles; David Moore, Bobby Lister and Bob Capers in the sprints; Tony Donaldson, Randy Mitchell and Randy Nascimento in the middle distance; Gary Churchill and John Halley in the weights; and by Dave Amaral, Ken Okumura and Larry Carroll in the jumps. Things look very bright for the Cards' future in track with this outstanding group.

With added depth this year, the 1977 varsity swim team promised to be the strongest in Cardinal history. Leading the team were juniors Norman Villanueva, John Bean, Mike Rentillo, Steve Lynn, and Jim O'Brien. In an effort to field the

strongest

possible varsity team, several frosh-soph swimmers including Noel Villanueva, Tom Smith, Scott Munro, and Tom Swanson were called into varsity action.

In the intersquad pentathlon won by Norman Villanueva - Varsity and Noel Villanueva - frosh-soph, the overall team strength showed marked improvement with nine swimmers scoring over 4000 points. Most of the current Varsity School records appear to be in jeopardy. Last season the team finished second in the southern division. This year it appeared that a second place finish was again feasible.

The frosh-soph team was led by Jeff Smith (sprints) and Kirk Shaffer (distance) and was to be competitive in the Southern division.

The Matmen of the 1976-77 season will be long remembered in the minds of many wrestling fans. The excitement and

intensity

that this team produced was a direct result of hard work, dedication, and determination. Competitive spirit was a unique characteristic of this team. The Cardinals wrestled to a third place in the tough Southern Division. Overall the Cardinals had a record of five wins and eight losses. Individually, the team was lead by captain Craig Ruybalid, and League champion, Billy Eggert. Another standout was Dietrich Gage who placed forth in the league and was also a region 3 champion. Other wrestlers who were outstanding were Mark Romo, Russell Kuhn, Chris Flores, Jim Wharton, Gilbert Cabral, Tino Chavez, and freshmen David Eggert. The whole team would like to thank their fans for their support.

The Cardinal varsity basketball team had a highly successful 1977 season. The team placed well up in the Mt. Hamilton Athletic League standings. The main stay of the Cardinals' attack was seniors Dave Saracco, Alex Mordwinow, Kevin Stirling, Raul Silva, and Gary Gamino. The team had an

outstanding

group of underclassmen to back up the seniors. They were Tony Barels, Bill Evans, Ron Gamino, Sal Garcia, David Mordwinow, Robbie Rocha, and Jerry Watson. These fine baseball players represented Mt. Pleasant in the 1977 baseball season.

The Mount Hamilton Athletic League has reorganized the baseball program this year to two levels of competition made up of frosh-soph and varsity with the junior varsity team eliminated.

Starting a new level of baseball makes it difficult to ascertain how well we will do this year. Judging from the past, this year's team shows a great deal of talent with the potential of a very fine season.

The good reason for this optimism is the strength of the pitching staff.

Stronger

this year, if for no other reason, than in numbers. Here are five pitchers that should see a lot of action on the mound: Mike Espinoza, Randy Ruiz, Mike McGraw, Rudy Silva, and Ernie Canchola. The catching duties will be shared by Ken Boyer and Steve Payne. At first base will be Andy Anderson and Robert Galenda; second base, Rudy Silva, Randy Reiz, Jeff Martinez; third base, Randy Rocha, Greg Williams and at shortstop, Ernie Canchola, Earl Bernaldez and Mike Espinoza. Playing the outfield positions will be Rene Martinez and Dean Pires in left field; center field, Rich Cockshot and Nic Marquez; right field, Ben Esquivel and Robert Ocha.

It should be an exciting and rewarding year for our first frosh-soph team.

This year's golf team again completed another very successful season, led by senior Larry Suezaki. Other regulars on the 1977 squad included Luis Martinez, Kirby Moore, Greg McFarland, and Steve Soto. The Cardinal

played all their home matches at Pleasant Hills Golf Course.

The 1977 Mt. Pleasant varsity tennis team had one of its most successful seasons ever. Coach Archer's squad was one of the league's toughest contenders. A very well-rounded team, the netters completed an almost unblemished season.

Sophomore Landon Nishimura and junior David Archer led the team at number one and two singles. These two individuals

intimidated

their opponents with their outstanding abilities. David was also ranked in the sixteen year olds in Northern California.

However, the heart of the team was the four returning seniors. Bill Kraus, Mike Gillespie, and Lito Valderrama demonstrated their experience and determination at numbers three, four, and five singles. Also Ben Dela Rosa led the doubles by his solid and consistent play. These four seniors were the motivation in the team's success.

Rounding off the team were seniors Walt Gwerder and Mike Connolly, sophomores Benji Dela Rosa, Ray Jacolik and Roger Kaeo.

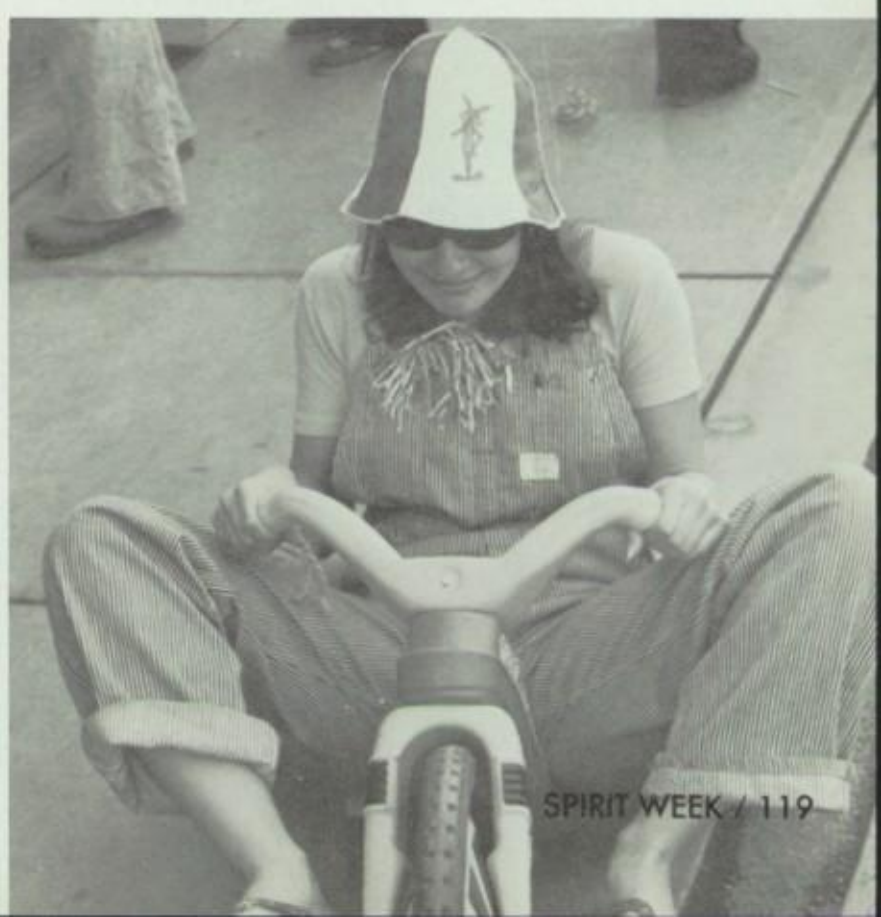
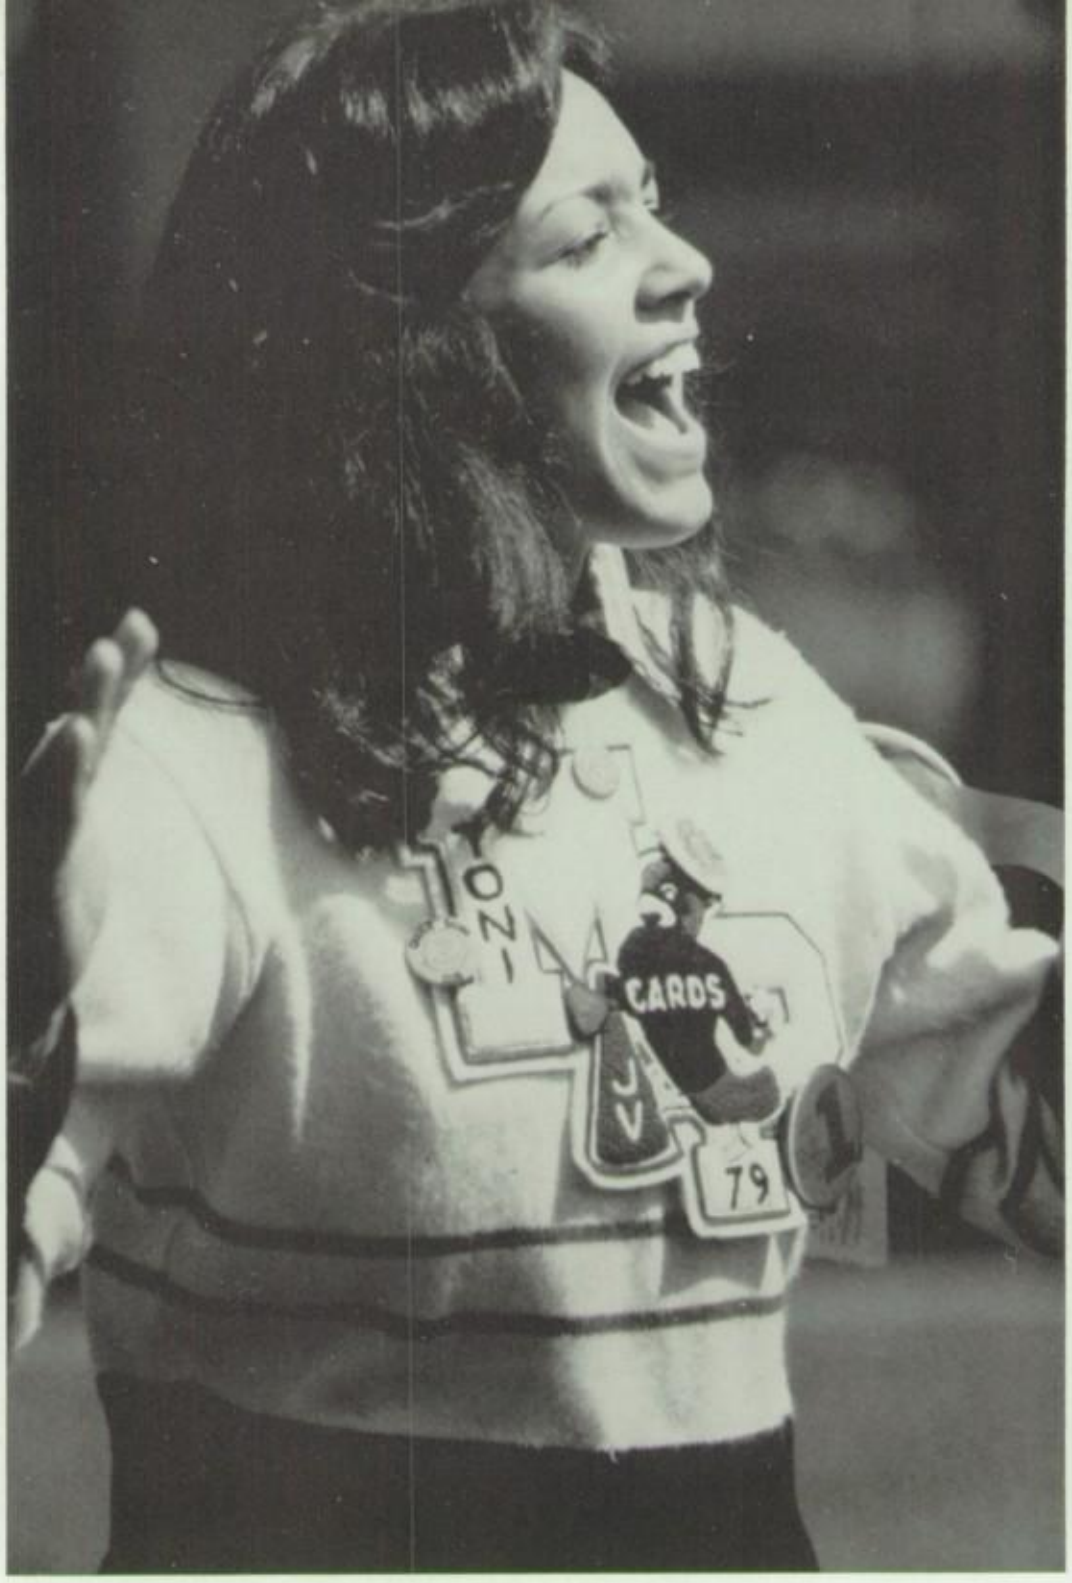
ANTICIPATION



BE TRUE TO YOUR SCHOOL

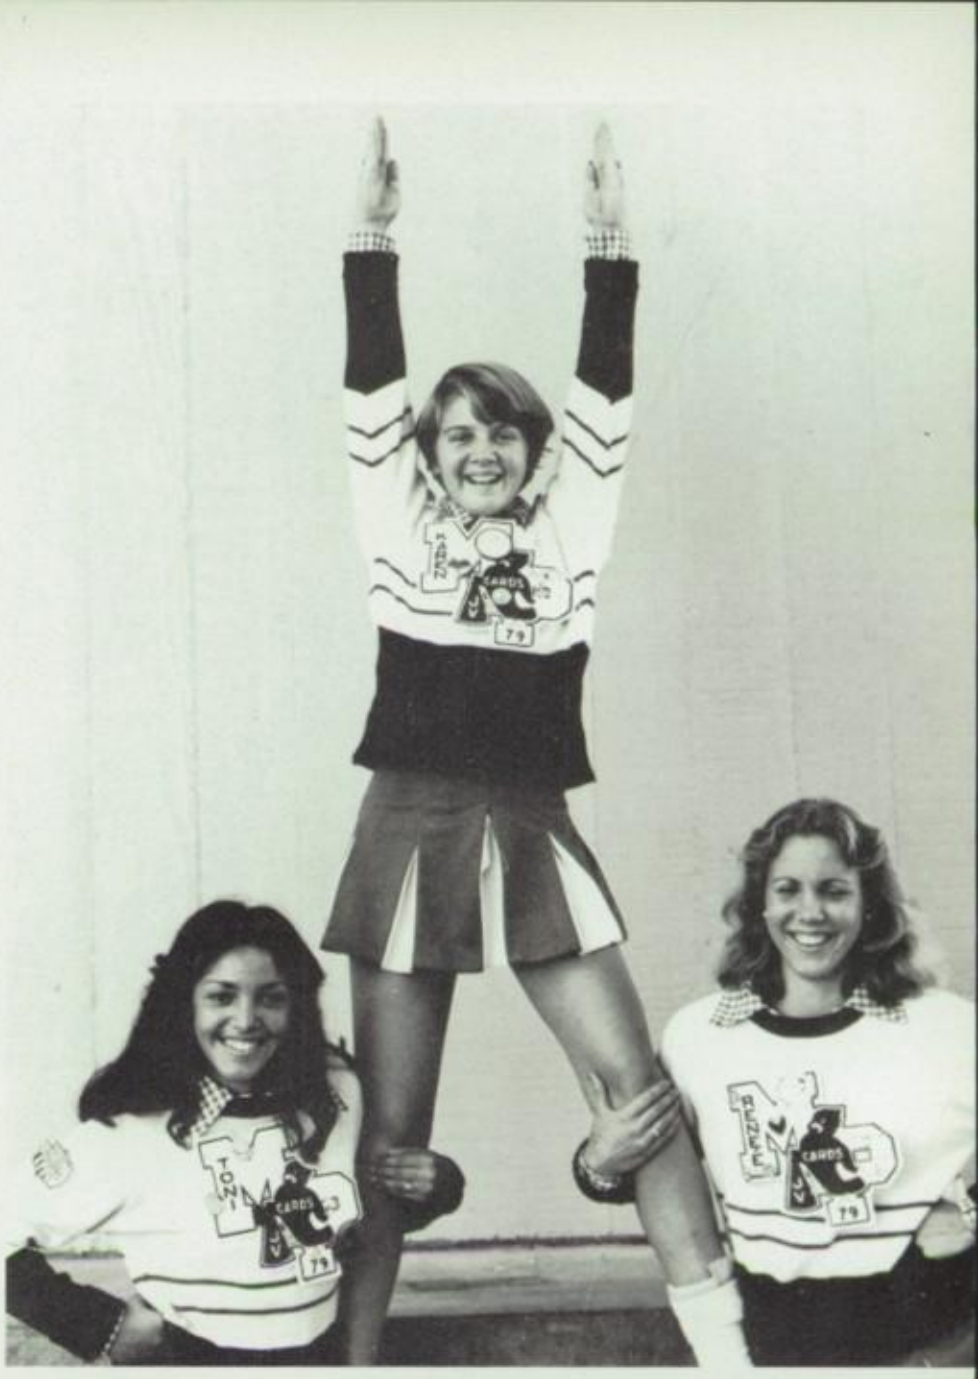


Take eight girls, give them

baggy

sweaters, and flippy skirts, supply them with megaphones. Add five girls with pompoms, big smiles, and white gloves. To top it all off, add two Cardinal Birds, and ten girls that spell out MT. PLEASANT. Add two mascots dressed up as big red Cardinal Birds. Mix well. Yield; one bouncing, jumping, laughing, cheering, screaming pep squad.

Following this recipe, Mt. Pleasant High School chose these twenty-seven spirited people to form the pep squad for the 1976-77 school year.



With three returning Varsity Cheerleaders, one returning spirit leader, and a newcomer to their squad, the cheerleaders brought back a first place trophy and five first place ribbons from

santa cruz

U.S.A. camp. On the first night of camp MP's spirit leaders won the spirit stick. When it comes to hard work and getting things done, MP's cheerleaders always pull through. We have stuck together and given our best to Mt. Pleasant High School. With this I say good-bye to Marti, Tina, Cynthia, and Missy. Thank you Mrs. Lillo and Mr. Cordova. Good Luck future spirit leaders.

Love,

This year has really been

special

to all of us. We've had a lot of fun being involved with all school activities. We went to Cheerleading Camp, and brought back ribbons of superiority and excellence. We also came back with a lot more spirit than we had when we left. We hope this year has been a lot of fun for others as it has been for all of us.

This year's 1976-77 song girls really had a great year. With only one returning girl, we went to camp and won a second place trophy, and individual superior ribbons. Working together daily gave us a chance to learn something from one another and to get along as a group in decision making. All five of us gave spirit leading all we had,

from our hearts.

Through the year we have developed a special kind of friendship and love for each other that I hope will never end. The Song Girls would like to thank Mrs. Lillo, a very special person, for being there when we needed her.

The varsity volleyball team had a disappointing season. The girls worked very hard and showed great

enthusiasm

Each match showed some outstanding performances, but we were very inconsistent in our playing. This would be considered a building year and we hope to do better next year.

And I know too much to go back to pretend

Mt. Pleasant's girls varsity tennis team did a good job for 1976-1977, posting a 6 win - 5 loss record for the season. The team had great balance among the classes at MP with 3 seniors, 6 juniors, 4 sophomores, and 4 freshman, representing the school. Frosh Julie Burton was off to a great start in her tennis career, posting an 8-3 win-loss record, and reaching the finals in the League Singles Championship. She was chosen Most Valuable Player of 1976-1977 for her efforts. Senior Linda Bednar had an undefeated record in league

matches

this year with a 9-0 win-loss record. Other fine players on the team this year were seniors Peggy Rowe and Teresa Marlowe; Juniors Darlene Kitajima, and Karen Howell; Sophomores Rhonda Bailey, Valerie DeFiesta, Linda Bayer and Evelyn King; and Freshmen Lori Mack, Carolyn Havis and Kathy Hernandez all have great promise for the future.

The Mt. Pleasant Girls Varsity Swim Team, despite being one of the youngest in the league with eight freshmen, had a very rewarding season. The team chalked up victories over Yerba Buena, Milpitas, Overfelt and Oak Grove, before losing to Silver Creek and Santa Teresa. Highlights of the year included a 200 Medley Relay team and Varsity 200 Free Style Relay. The team consisted of Mary Escobar, Lorraine McCormick, Sandra Craddock, and Joanie Barney; they took first place in seven of their meets. The Varsity 200 Free Style Relay Team came within three seconds of

qualifying

for C.C.S. consisting of Kelly Lynn, Joanie Barney, Debbie Sinclair, and Lisa Duus. Sandra Craddock qualified for C.C.S. in both the 200 Individual Medley and the 100 backstroke. The Junior Varsity Girls Swim team chalked up victories against Overfelt and James Lick. The 100 Medley Relay with Kelly Burtch, Emma Hasebe, Denise Craddock and Diane Wharton took fifth place at league finals, to close their season.

The very respectable record of this team, coupled with the youthful experience of its members should make next year's Cardinal boosters a power to be

reckoned

with by the rest of the MHAL. Only one member of this team had previous experience varsity experience, but eleven of the girls had played together on last year's junior varsity team. Coach Mundy suggests that Cardinal fans keep an eye on this team which lost only one game by more than one point.

FRONT ROW, LEFT TO RIGHT: Norene Raub, Valerie DeFiesta, Billy Wingo. MIDDLE ROW: Grace Soto, Suellen Lawence, Denise McCabe, Julie Orta, Cory Allen. BACK ROW: Kelly Miller, Manager, Marion Alves, Debbie Rucker, Chris Martinez, Beth Jahn, Minerva Canchola, Mr. Mundy, coach, Denise Lutcher.

As of press time, our record is three wins, two ties and one loss, with five games remaining in league play. The junior varsity team have put in a lot of hard work and effort in practice and in their games. They did very well as a team and in their first year of

competition

It was a real pleasure coaching these girls.

With only one returning Varsity player from last years squad, this years Girls' Varsity Basketball team was destined for a rebuilding year. Our freshmen have been outstanding this year. Sandy Arredondo was our play maker for most of the season. Lori Mack, our guard and forward, was high poing scorer while Vicky King and Marsha McBride played forward most of the year. Chris Hester is an exciting freshman to coach. In one game, she broke the school rebounding record by racking up twenty-five rebounds and was high point scorer in several games. Laura Hall came along to break Hester's record with an incredible twenty-nine rebounds in one game. These girls have been a great pleasure to work with. We will miss you,

The Mt. Pleasant Girls Junior Varsity Basketball Team has enjoyed one of their

best seasons

ever as they are now seven wins, one loss and tied for first place with Overfelt, Yerba Buena and Independence. Under the coaching of Ms. Moak and the total team effort, the girls look forward to a winning season. Tanya Littlejohn has scored a total of 82 points for the 7 games. Tanya Littlejohn and Diana Lewis have controlled the backboards through out the season.

This year's Girls Track Team was a very young and spirited group. A lot of these girls were competing for the first time and doing an excellent job. The attitude and determination of the girls have been very enthusiastic. Expected to lead the way for the tracksters this year were Tanya Littlejohn, Esther Hall, Monique Jones, Cynthia Jackson, and Madeline Clark in the sprints. Angel Priebe, Yvette Butler and Stephanie Fajardo

looked good

in the hurdles. Field event standouts were Terry Licini, Melanie Black, Sherry Mack, Barbara and Betty Johnson, Chris Hester and Becky Price. The distance events were anchored down by Linda Reyes and Cory Allen. The coaching staff expected great things from this year's fine team.

ABOVE RIGHT: An ambitious track team. RIGHT: Coach Kelly. FAR RIGHT: Coach deDiego.

I am woman, watch me grow
See me standing toe to toe

This year's softball teams showed a lot of

spirit

during the season. With only 11 players with JV and Varsity experience, it was hard to say how we'd do. Pitching, defense and hitting were all good. A group of fine softball players composed this year's team.

As I spread my lovin' arms across the land.

But I'm still an embryo
With a long, long, way to go,
Until I make my brother understand.

This year the Girl's Badminton Team experienced another exciting, competitive season. The fine spirit and enthusiasm of our girls was

unequaled

by any of their opponents. Our players have practiced diligently and performed well in all of their matches. Many seniors returned for a final season and will be missed next year. I have greatly enjoyed working with this group of girls and am sure that I have gained as much as they have during this badminton season.

The students of Mt. Pleasant High School can be proud of their yearbook staff. In many schools the local professional photographer provides the pictures, and the layouts are essentially the work of the advisor and the publisher. Here, at Mt. Pleasant, most of the work is done by students. With the exception of the class pictures and a few posed pictures, all the photography was done by the staff. For the second year, the color section was produced by Mt. Pleasant photographers. Photography is only a part of the total yearbook

production.

Layout design, effective copy, captions for pictures, and the scheduling of pictures are a few of the things with which the yearbook person must be concerned. Few students fully appreciate the amount of effort put forth by the eighteen students on behalf of the 1800 students attending M.P. Thank you staff on a job well done.

Special thanks should go to the following people who contributed to the yearbook effort: Mrs. Bautista's Retailing class for selling the advertising, Ms. Hicks and Mr. Carpenter for the cover design, and to photographers Matt Mitchell, Richard Noll, Kim Ingram, David Gula, Larry Yother, Tomas Mendez, Karl Harmon, Brian Miller, and Norman Baltodano.

The 1976-77 Journalism staff was one of great determination and willingness to excel in the area they covered. The staff was at a somewhat disadvantage because of lack of experience within the group. Editor, David Saracco, is the only four-year member of staff. David was backed up by two-year men Alex Mordwinow, sports editor, and reporters Mike Preciado, Mike August, and Gayle Johnson. Rounding out the journalists were Erica Garcia, reporter, and cub reporters Bridget Beckwell, Ricky Bryant, Karl Clinger, Mike Francis, Ron Hypolite, Lynette Olsen, and Robbie Varson. Even with the inexperience as a team, the members of the

cardinal tribune

turned out to be one of the finest in Mt. Pleasant history.

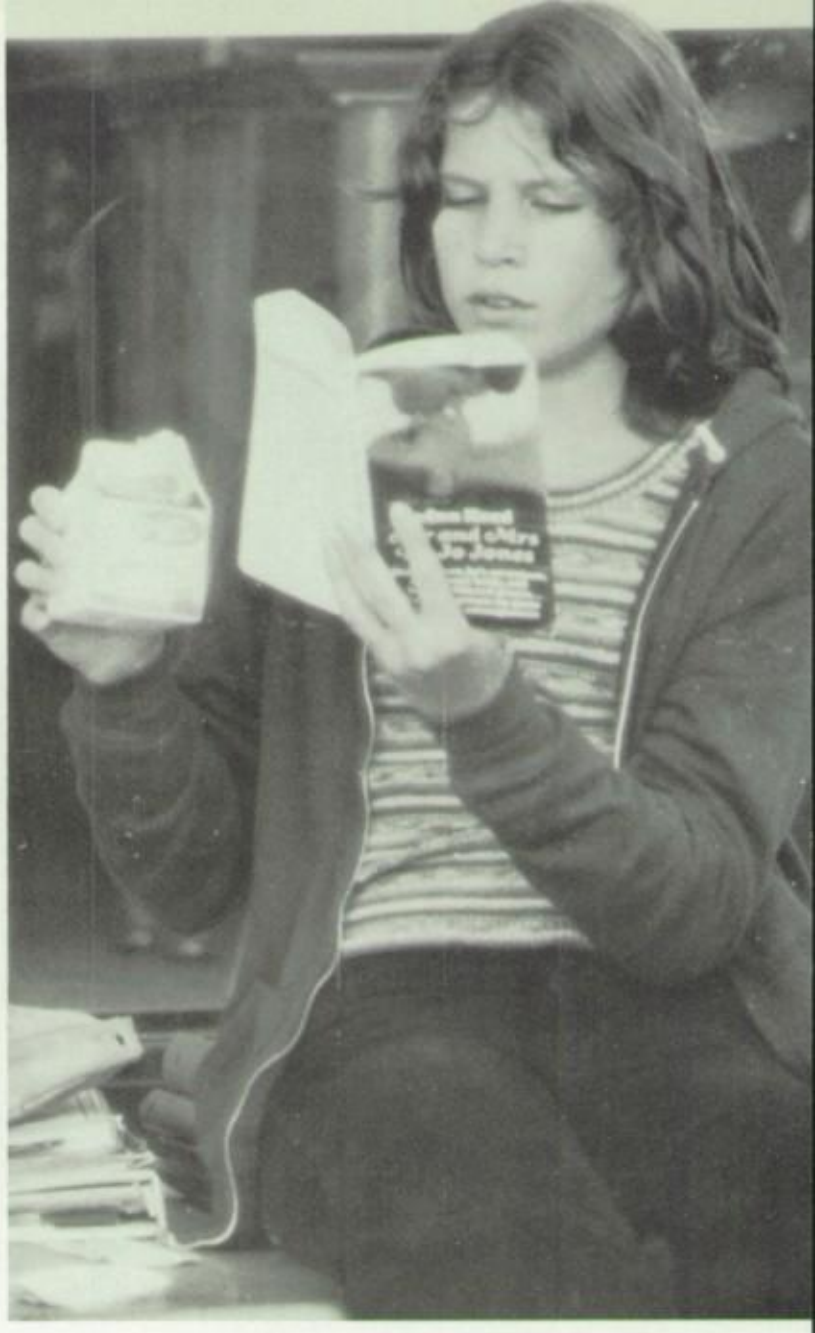
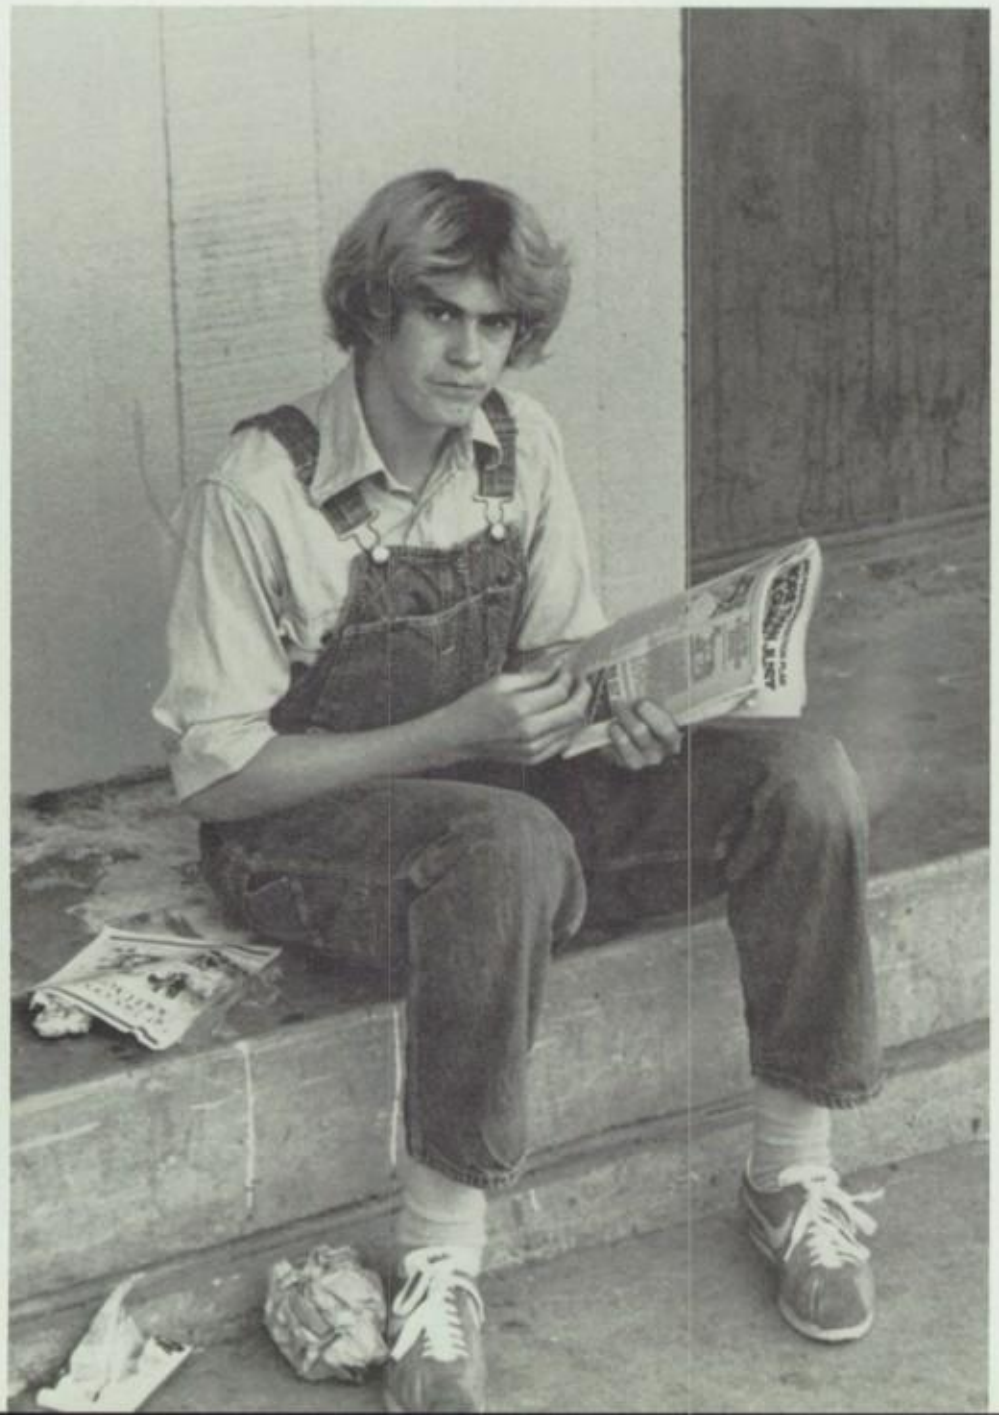
What you can truly be.





FANTA

The 1976-77 Marching Band participated in parades at Eastridge, the East-West shrine game at Stanford University, and the University of Pacific homecoming parade. They went about the annual spring concerts and festivals, and they ended their year with 1977 graduation ceremonies, but the highlight of the year was performing with the San Jose Civic Light Opera production in "Music Man," with Van Johnson. This year's marching band was the largest in the history of Mt. Pleasant High School, and the 104 piece ensemble presented a

colorful

picture on the football field and in parades.

Lift your voices to the sky

The 1976-77 Mt. Pleasant Concert and Madrigal-Swing choirs travelled extensively and sang throughout the bay area.

The Concert Choir participated in the dedication ceremony for Independence High School, and in the Vocal Jazz Workshop at Yerba Buena. Specially selected choir members attended the University of Pacific Music Clinic, and they ended their year

performing

at Honor Day in June.

The Madrigal Swing Choir sang at the homecoming game, and performed at the San Jose Civic auditorium with the famous St. Olaf Choir.

Selected members from both choirs had the privilege to sing in the musical, "Music Man." Both choirs represented our school by making many fine performances throughout the whole year.

IT'S A MIRACLE

Through the Youth For Understanding program we were privileged to be visited by three students from foreign countries, Terry Licini from Switzerland, Fernando Almeida and Cassiano Anjo from Brazil. Each was "adopted" by a family living in the area. Foreign exchange students have traditionally been interesting and well-liked. Terry, Fernando, and Cassiano were no exception.

I think that my new stay in the U.S.A. for six months, living in a different country than mine, and going to an American school is a really nice experience for me. When I came here, I found happiness and attendance from everybody. The school is really good, and the teachers are really nice people. I hope I don't cause any troubles for them and never make them upset or even mad. This probably would be a good look for all the students from my country, and it would be nice if they could come to this school.

Cassiano Costa Santos Anjo

Mt. Pleasant is a lot of fun. I'm enjoying my staying here in California and especially San Jose every day more and more. I made a lot of friends at Mt. Pleasant and everybody, teachers and students, helped me get out of some little problems. I'd like to thank everybody for their understanding, their patience with me, and their kindness. I hope I'll have a chance to come again to this beautiful country.

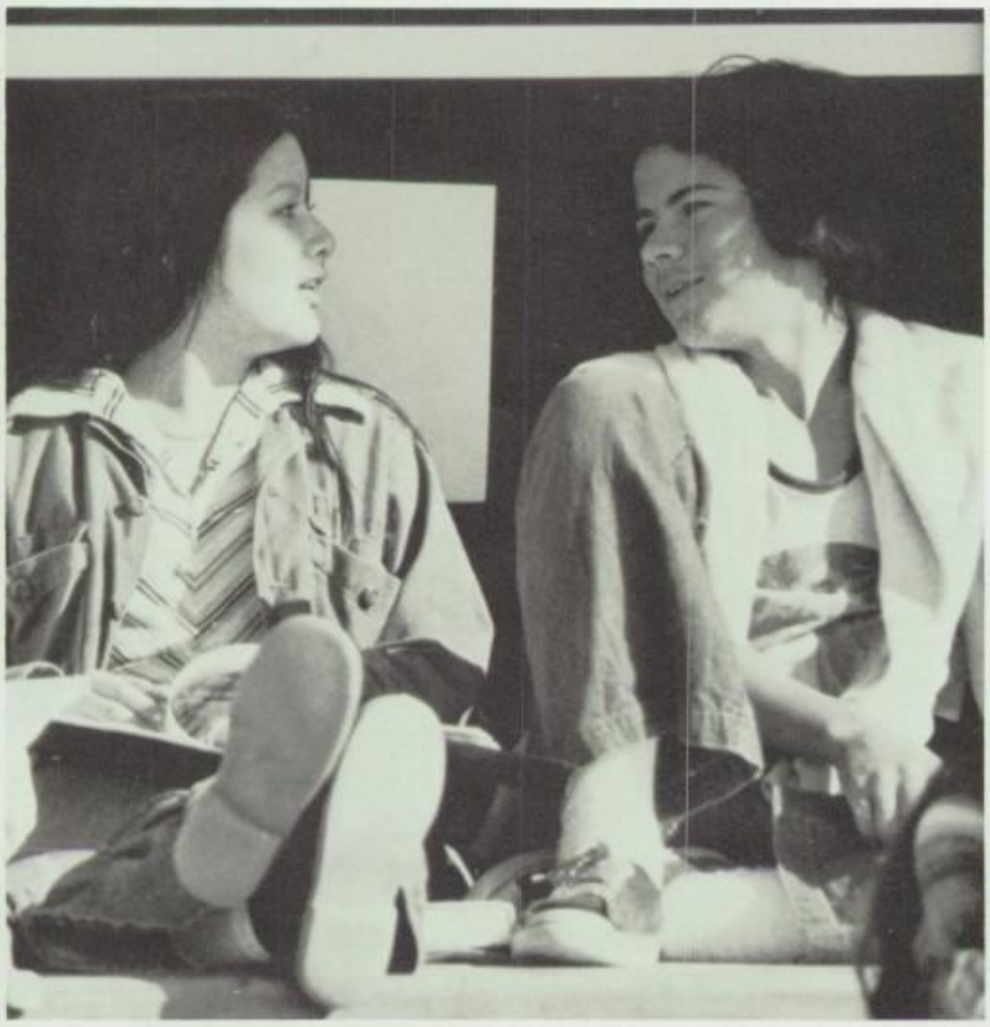
Terry Licini

I'm liking very much my new life here in the U.S.A. It's a new life with everything different. My life in the school is the best possible. I'm thankful to every people that work here, because when somebody starts out they have troubles and they cannot be at their best performance. The teachers are really nice and I don't want to make them mad.

Fernando Almeida

Stairway to heaven

Yes there are two paths you can go by
There's still time to change the road your're on.



There's a feeling I get when
I look to the West

Tearing away from grade school ties, Frosh implanted their roots on campus. Undaunted by teases and taunts, and the maze of must do's and no-no's, they plunged into the Cardinal Pattern of life, tackling Algebra, English, and World Cultures, simultaneously. By the time they came up for air, they were

frolicking

away toward Sophomority. Yes there are two paths they can go by, but there's still time to change the road their on.
